I, Maria Rulita Ong Finlay, from Tunga, Leyte is earnestly seeking intervention through your good office ARTA. I just arrived yesterday from Leyte. My sole purpose to come is to ask help on behalf of the suffering constituents of LGU Tunga, Leyte. I would like to file complaint against the Sangguniang Bayan particularly the presiding officer and the chairman of Com. on Finance and Health. Due to the disapproval of 2021 Annual Budget, causing the deprivation of its constituents from basic social services such as No fuel available for the ambulance, Fire Truck, Police Cars to run to serve the people in need. The RHU could hardly get maintenance medicines and Covid vaccines from DOH Regional Office, due to none availability of fuel budget. Garbage Trucks since April 25 unable to collect garbage due to same dilemma. As far as I got info from the Budget Officer the 2021 re-enacted budget for fuel gasoline is already exhausted. Please I am anticipating for your immediate investigation and favorable action for the general welfare. Thank you very much & more power to you.

OFFICE OF THE MUNICIPAL MAYOR

04 March 2022

SANGGUNIANG BAYAN
Municipality of Tunga, Province of Leyte

ATTN: VICE-MAYOR REINBERT C. COSTELO

HON. COSTELO,

This has reference to your letter dated 28 February 2022 re: request for the Municipal Budget Officer (MBO) to attend your regular session on 07 March 2022 for queries and clarification concerning the annual Budget C.Y. 2022 of the Municipality of Tunga.

As I vividly recall, under your **RESOLUTION NO. 2022-01, entitled, "A RESOLUTION RETURNING THE ANNUAL BUDGET C.Y. 2022 OF THE MUNICIPALITY OF TUNGA TO THE LOCAL CHIEF EXECUTIVE FOR REVISION,"** it was clearly mentioned the Fourth Tranche of the Salary Standardization Law needs to be reflected or to that effect. Which, without question was complied immediately and was submitted to your good office on 04 February 2022. And yet here again, you are requesting for the presence of the MBO for so your called "queries and clarifications".

In connection to this, I couldn't but deny your request due to the clear fact that this is nothing but a delay on the approval of the Proposed Annual Budget that harshly impedes my effort to deliver the needed and necessary services of our constituents.

Good Day.

- I. Determination of Quorum:
There being a quorum, the session was called to order at 9:20 in the morning.
- II. Reading and correction of minutes of meeting no. 104 held on December 13, 2021 regular session.

Hon. Obsequio: Since the minutes was given to us ahead of time, so I move to dispense the reading of the minutes and proceed directly to the correction.

Hon. Fallorina and Hon. Uribe seconded the motion.

Presiding Officer: Having been moved and duly seconded, the reading of the minutes of meeting no. 104 is hereby dispensed. Any correction?

Hon. Uribe: Having no correction, I move to approve the minutes held last session.

Hon. Fallorina: I second the motion.

Presiding Officer: Having been moved and duly seconded, the minutes of meeting no. 104 is now approved.

III. AIP and Annual Budget CY 2022 of the Municipality of Tunga

Hon. Obsequio: Since I haven't read yet the soft copy of the AIP and Annual Budget kay paghatag hadto timing man nga nawaray kuryente so waray ko kakita pa, kay an akon heto purpose igpiprint ko hiya hin dagko para klaro kay diri ko mabasa an ira ginpasa nganhi kay gudti-ayay nga duro.

Hon. Uribe: Op kay duro hin kagudti diri ko gihap mabasa.

Hon. Obsequio: So I move to defer this matter for the next regular session.

Hon. Ponferrada: I second the motion.

Presiding Officer: Okay, so the AIP and Annual Budget CY 2022 are deferred for the next regular session. How about the ordinance Hon. Fallorina?

Hon. Fallorina: Ira pa ginko-comply an recommendation.

Presiding Officer: Kay baga dependent liwat ito hiya para heton budget kon ig-uupod ta ito kay buhang pa an budget waray pa ngani didto igsulod an increase.

Hon. Requeiz: Mas maupay ngani mauna ito anay nga imo ordinansa kontra pagkuan ta han budget kay para pagpasa nganhi han budget nakasulod na ngatanan dida heton budget.

Presiding Officer: Amo ngani. Based han aton Devolution Transition Plan an MDC an na endorse nganhi han sinisiring nga prioritization of items.

Hon. Requeiz: Dida han kuan an Mayor an nagpa-prioritize kon ano nga mga items an pupunduhan pero igpapaagi gihap ha MDC kay an Mayor an ma rekomenda ha MDC nga amo ini nga mga items an pupunduhan.

Presiding Officer: Oo maagi ha MDC. So after ha MDC igkakanhi na ha aton ngan amo pala an paghimo han ordinansa kay amo ito an imo magigin basis, so dako pa daw ini nga proseso. Diri pa ini final nga ginpasa nga budget kay siring han aton Budget Officer pinanago pa ito kay waray pa man DTP.

Hon. Obsequio: Dapat diri la anay hiya nagsa-submit hini nga budget kay diri pa nakaplastada tanan, maoobliga kita pagbalik hini kay waray pa igplastada an increase ngan an igkri-create nga items.

Presiding Officer: Pinanago pa kasi siring han aton Budget Officer. So yana dependent kita ha MDC para makakuan kita han ordinansa para mahisulod ito. Kay paka-approve heto that's the time pa daw la nga masusulod ito ha Annual Budget.

Hon. Requeiz: Oo kay kon mayda na approve nga item amo na an pagsulod ha Annual Budget amo na kapunduhi.

Presiding Officer: Oo amo pala an pagsulod ha Annual Budget. That is why an aton Annual Budget siring ni MBO waray increase, waray mga additional nga tawo

kay waray pa man ito nga ordinansa. Ngan diri liwat kita makakahimo hin ordinansa unless waray pa mag-endorse an MDC nganhi kay amo ito an magigin basis heton proponent para paghimo han ordinansa kon ano nga mga items an kinahanglan. So huhulton ta an ordinansa nga ma approve ito dinhi para an Budget Officer liwat hiya an magsulod dida heton budget para latag tanan, aada na an increase aada liwat an mga additional nga items nga pupunduhan.

Hon. Requez: Oo kay para tibway an aton dinhi pagreview iton budget na unta nga nakalatag na dida tanan.

Presiding Officer: Oo para tibway an aton pagreview salit kon pira an sweldo heto nga mga igdudugang igbutang dida ngan igplastada gihap ha budget an increase, iton waray ba tinago kay para waray kita problema. So Hon. Fallorina kuana nala ito hiya para deritso iton aton pagkuan heton budget. Kay baga bati ko kan MBO uutruhon pa ini nga budget baga amo an iya siring kay diri pa ini final.

Hon. Obsequio: Kay amo ngani kay ano pagpinasa niya nga diri pa man ini final. Urutruhon pa gad ini kay diri pa plastada tanan.

Presiding Officer: Magigin dependent kasi ha ordinansa.

Hon. Requez: So mas maupay hini Hon. Fallorina ig-expedite an imo proposed ordinance para maplastar iton aton Annual Budget tibway iton aton dinhi pagreview. Habang waray pa an imo ordinansa magigin pending inin aton budget. Kay amo man la gihapon diri ta man ini ma approve nga budget kay waray pa man an aton mga karuyagsidngon nga angay mahisulod dinhi.

Presiding Officer: Oo pero we have to wait first han kanan MDC para amo an magin basis paghimo han ordinansa. Ngan waray man kita hini mahihimo ma approve man talaga kita heto nga ordinansa kay nakadepende na ito ha DTP. An DTP approved naman hiya gidaan, so it follows. Waray rason nga diri maaaprobahan ito nga ordinansa.

Hon. Requez: Kon diri mahisulod dida heton budget an gincreate nga item pwede man ito next year 2023, 2024 kay 3 years man ini kay madepende man ito kon kaya ta punduhan.

Presiding Officer: Oo pero maruruba an aton DTP kon diri kita sumunod kay plano hiya. Anon gamit han DTP kon diri kita sumunod. So whether we like it or not ma hire talaga kita hin additional nga employees for 2022 based on DTP. Kay kon diri kita maghire matitigdaan kita pag year 2023 and 2024. Ngan an aton liwat Salary Standardization urhi na kita nga duro kinahanglan maka-implement na liwat kita nga mahisulod ha budget an salary increase. So Hon. Fallorina uutruhon mo an imo proposed ordinance kay ma base ka na ha ig-eendorse han MDC ngan dapat nakaplastada tanan ha imo ordinance, okay?

Hon. Fallorina: Okay Mr. Presiding Officer.

IV. OTHER MATTERS:

1. Hon. Obsequio: I move to pass a resolution for the temporary closure of P. Burgos St., from corner Blanco St. to corner Zamora St. because of the ongoing KALAH I CIDSS project.

Hon. Uribe: I second the motion.

IV. AIP and Annual Budget C.Y. 2022 of the Municipality of Tunga

Presiding Officer: So we are entering the 90 days period for the budget for 2022. According to our Local Government Code, we are only to discuss matters regarding the budget.

Hon. Panferrada: Mr. Presiding officer I would like to read this R.A. 7160 section 323. *Failure to Enact the Annual Appropriations*. - In case the Sanggunian concerned fails to pass the ordinance authorizing the annual appropriations at the beginning of the ensuing fiscal year, it shall continue to hold sessions, without additional remuneration for its members, until such ordinance is approved, and no other business may be taken up during such sessions. If the Sanggunian still fails to enact such ordinance after ninety (90) days from the beginning of the fiscal year, the ordinance authorizing the appropriations of the preceding year shall be deemed reenacted and shall remain in force and effect until the ordinance authorizing the proposed appropriations for salaries and wages of existing positions, statutory and contractual obligations, and essential operating expenses authorized in the annual and supplemental budgets for the preceding year shall be deemed reenacted and disbursement of funds shall be in accordance therewith.

Presiding Officer: Thank you, so it is very clear na budget iton aton until March 30 but my problem is an aton AIP and annual budget is pending. Kumpleto ba iton budget? Actually an ha Devolution Transition Plan nasiring didto han memorandum circular na pwede kita mag approve han budget bisan waray pa an items bisan diri pa based han DTP in so long as mayda na appropriation didto. An natabo hini yana, bakante an P.S.?

Hon. Obsequio: Diri, amo la gihap. Waray ko la kabasa hin maupay kay an ira ginhatag akon na soft copy diri man asya. An ginpasa ha aton na budget waray didto, AIP la an nakadto.

Presiding Officer: Amo la gad hin makuri hini, it is the MLGOO unta an nagiinform han budget officer na puydi magapprove hin budget bisan waray pa ini na creation of items. Pwede nauna an budget ka approve bisan waray pa an mga items na dapat isusulod basta ginbubutangan la didto hin pondo kay ka approve automatic na kay masiring man kita didto han aton ordinance na appropriating funds thereof, mayda na funds na ready. So unta ginuuna nala an budget bisan waray pa ito na items kay diri man ini necessary na ini na items sabay gud talaga didto.

Hon. Obsequio: Asya pagkita ko didto han iya gin submit na budget waray increase waray para pag create.

Presiding Officer: Kay kun sugad hini yana na sitwasyon actually maghihinulat kita na maapprove ini na ordinansa. Kaapprove hini na ordinansa para hini na mga items amo pala iton time na an budet aaydon. Amo pala iton time na isusulod ini na nacreate tapos maincrease kita. Amo pala iton time na magapprove kita hinin budget, maiha pa ini hin duro.

Hon. Requiez: Mr. Presiding officer, an akon pagka intindi han amon pagstorya kay ginkikinadto ko man ito parte hini na budget. Amo ini an dalagan han iya storya, kun maapprove na ini nga item na gincreate ipaplastar na an budget. An budget na ginpasa kay diri pa kumpleto, pag approve na amo ito nga daan mabibitin la gihap dinhi mahimo la gihapon hin supplemental budget.

Hon. Obsequio: Gintitibway nala unta niya an paghimo hin budget.

Presiding Officer: Whereas, pwede adi madilatar ini nga positions basta an plastada na nareserve nala hiya na daan kay igsupplemental na man la ito. Amo man la gihapon kay diri makakag add kun waray an budget ngan pagkita ko hini na ordinansa maiha pa ini kay aadto pa ini Sangguniang Panlalawigan ngan creating of items ini makadto pa ngani ini ha Civil Service. Kun gin una an budget, maapprove ta an budget tapos kaapprove han ordinance ipanuksok then supplemental kay iini bitay ini yana inin aton iba na programa. KALAHI nakinahanglan na ba?

Hon. Aumento: Mr. Presiding officer, ha pagka yana diri pa kay waray pa ngani kadownload an grant. Didi ha Astorga waray pa pagtikang, damo an namomroblema. Ha San Antonio an payment han labor cost waray pa ka download an grant, so amo ito yana an nagiging problema. An yana na fiscal year 2022 diri pa kinahanglan.

Presiding Officer: How about iton iba na mga programa na kinahanglan hiton approved budget. Kun magiincrease kita naincreasan na unta iton aton honorarium yana na year pag start. Priority liwat ini na increase kay naiha na ini hin duro na pending although pwede gad ini Igdifferential kun maapprove.

Hon. Uribe: Igdifferential basta plastada la gihapon

Presiding Officer: Plastada la gihapon, mauurhi.

Hon. Uribe: Mauurhi gud ini yana Mr. Presiding officer kay it ordinansa atleast one month.

Presiding Officer: Badaw maiha kita hini na aton ordinansa, kakano ba nasubmit ini ha aton na budget?

Hon. Ponferrada: December.

Hon. Obsequio: December pero amo ito kulang.

Presiding Officer: Adto gin inapiki kita hito na SRI yana waray pa man ito irelease na SRI. Ambot ano liwat kabutangan hito kay damo na hin nangurutob pero di man kita hito mababaso kay nagtrabaho na man kita han aton trabaho.

Hon. Obsequio:

Hon. Requeiz: So yana Honorable Presiding Officer ini na other matters diri naton ini itatake up.

Presiding Officer: That's why for the next regular session ipaparesearch ko ini kan Honorable Uribe kun ano ba it kabutangan kun pwede pa or diri. For the mean time adi la anay kita hini na business of the day to be safe. I would like to request Honorable Uribe to research with regards hini nga only the budget diri kita matratar hin other matters and siguro anybody irerequest ta an presence han Local Finance Committee para liwat kita maliwanagan because they should know parte hini na Devolution Transition kay an akon nabaruan pwede magapprove hin budget bisan diri pa makag hire hiton mga additional, pwede maapprove an budget.

Hon. Fallorina: Mr. Presiding Officer, dapat didi hiton business of the day pati iton aton budget naka indicate ini dinhi. Ini na other matters diri na unta ini other matters kay naiha na ini nakapasa na ordinance so lakip ini hiya didi hiton business of the day.

Presiding Officer: Amo ngani ipapakiana ta ini kan Honorable Uribe kun an mga pending hadton December pa kun pwede idiscuss. Anyway ordinance man ini hiya.

Hon. Fallorina: Ordinance ini.

Presiding Officer: Diri ako hini makakabaton.

Hon. Uribe: Diri liwat ako sure Mr. Presiding Officer pero ha akon la opinyon okay inin ordinance kay connected hiya didi hiton aton budget.

Presiding Officer: Oo connected ini hiton budget if we will insist na isusulod anay han budget or kun diri la anay kay importante kasi an annual budget. Kun insist ini maiiha ini dinhi kay maghuhulat pa kita hit posting, 3 reading rule.

Hon. Fallorina: Ini na ordinance kay aanhi na man ini ngan compliance ini han recommendation han committee on finance. So ini hiya na ordinance hin creation of plantilla position nakakuan na ini hiya ha second reading.

Hon. Obsequio: Waray pa ini first reading.

Hon. Baac: Yana ka pala pagkuan hini. First reading pala ini, title pala ini.

Presiding Officer: Ini na ordinansa kay diri ini amo an ginsubmit han una.

Hon. Fallorina: Kay nagcomply man la kita han committee report so dapat second reading na ini.

Hon. Requeiz: Tama kay gintratar ta ini han una, ako ngani an nagkuan hini han una na na kinahanglan nakabutang na an iya duties and responsibilities iupod dida hini na ordinansa amo nga nangada ini han committee. Magawas ini yana na second reading na ini-yana.

Presiding Officer: Okay, no problem. Pwede man siguro ini madiscuss kay part man ini hiya hiton annual budget. Waray exemption?

Hon. Ponferrada: Section 323, waray. No other business shall be taken up.

Presiding Officer: Magawas hini ini na ordinansa la anay aton pagsisinessionan kay part man ini.

Hon. Fallorina: Ini na ordinansa kay part man ini hiton aton budget.

Presiding Officer: So meaning to say diri man magalaw adin budget kun diri adi maapprove so amo la ini aton pagsisinessionan.

Hon. Fallorina: Dapat ini Mr. Presiding Officer madeliberate ini yana.

Presiding Officer: Waray problema pwede ta ini yana madeliberate.

Hon. Fallorina: Kun waray problema, iapprove na ini naton.

Presiding Officer: Ayaw anay kay deliberation anay ini. An kuan la hini kay kun maapprove na ini ano, mabalik ha MBO an budget kay aydun nira.

Hon. Fallorina: So once maapprove ini, iton budget ngan iton AIP pwede natun makuan haiya para masubmit nganhi ha aton so diri na ini magiha.

Presiding Officer: Okay sige pwede na kita hito. Diri ta la anay adi lalabtan ha with the condition that for the next regular session hi Honorable Uribe tagan la kita hin enlightenment with regards hini nga provision, section 323 of the Local Government Code. So let's proceed, amo la inin aton tatrataron yana ha na ordinance. Mayda kuan didto na diri kita pwede magcreate hin items kun an mga mandatory diri pa filled up nga tanan. Nafilled up na ba na tanan an mandatory or created ba nga tanan? For instance, Municipal Agriculturist. Mayda ba kita created item kay iton aton yana diri ito head of office category kay MAO la ito hiya. Adi pa an MSWDO dapat created ito na item, with RATA ini ha. That is why maguguba guba inin budget talaga.

Hon. Requez: An akon pakigstorya hiton aton MBO na kay ano ito hira diri lugod naton ipan full pledged ito hira na ma head of office. An iya rason kay an aton salary cap nasobra kita, ano na ncreate kita hini na item. Ini diri daw nakakuan ha salary cap daw kuno kay ginkadi ini han economic enterprise which is the economic enterprise ini na ma personnel diri upod hiton computation hiton salary cap. Hi ako gusto ko nga igplastar na ito na budget pati an increase mabutang dida kay para makanhi ha aton. Amo inin ginhuhat liwat niya makuan ini para makaayad hiya pagplastar kay madagmit la kuno pag ayad hin budget.

Presiding Officer: Unta ginpaplaster nala dida han budget nga upod ini kay di man ito madadayun kun di ini makuan. Unta upod na ini dida hiton plastada para waray na ini uruutro, iplaster dinhi kun ano hin matatabo kun mapprove ini. Kay madali na man la pag approve kun makita na okay.

Hon. Requez: Pwede ta paatindiron dinhi?

Presiding Officer: Iginvite ta for the next regular session an Local Finance Committee.

Hon. Uribe: I move to invite the members of the Local Finance Committee for the next regular session to enlighten us regarding the annual budget.

Hon. Ponferrada: I second the motion.

Presiding Officer: Having been moved and duly seconded, the members of the Local Finance Committee are invited to attend the next regular session for queries regarding the budget. Since aanhi na man kita hinin ordinance, start kita hiton reading hini.

Hon. Uribe: An committee on Finance hadton una nga session mayda adto mga pahibaro ngadi hiton aton sponsor regarding hiton iya ordinance, pabatunon ta anay hiya.

Hon. Ponferrada: I have here the committee report.

Presiding Officer: Honorable Fallorina mayda ka copy hini na committee report?

Hon. Fallorina: Mayda.

Hon. Requeiz: May compliance ka han mga ginaaro dida hiton committee report?

Hon. Fallorina: An compliance la hini amo ini na duties, functions and responsibilities. So aadi na ito hiya hiton aton modified na ordinance nan stated na ito hiya didi.

Presiding Officer: Honorable Fallorina ha DTP nimo ini kuhaa? Kay ano may casual nga duha? Ano ba an nakadto han DTP ha 2022?

Hon. Ponferrada: Actually an ha economic enterprise an nabudgetan la hito an casual waray ito hiya tapos P.S. man an Municipal Disaster Risk Reduction Officer. An economic enterprise an unom la, an casual na duha waray na ito hiya dida. According dida han imo ordinance mayda duha.

Presiding Officer: Dida han DTP mayda ba? Amo an aton susundon an DTP. Mayda kita na mga items, mayda kita hini kun ano an ma kinahanglanon diri puro kanan economic enterprise.

Hon. Requeiz: Amo ini an akon ginkadto kay dapat madistribute ini didto hini na mga opisina, an baton ha akon han aton MBO na kun ibutang ini didto diri na kita makakasulod ha salary cap amo na ginkada ini ha economic enterprise.

Presiding Officer: Pwede gad, an point hini Honorable Requeiz na kun igallow hiton DTP yana na pwede maglapos an P.S. cap pwede ini naton igprioritize ini na mga opisina based on the DTP. Waray gamit an DTP kun diri susundon kay kun maghire kita hini nga tanan pero kun didto ini tanan ibutang hiton opisina ni Engr. Arintoc na tanan ini or didto kan Engr. Quintana, pwede ito matabo kay waray hiya na aadto ka.

Hon. Requeiz: Magawas hini Honorable Fallorina ini na mga comment dinhi, imo ini babatunon para next session. Igtake note ini tanan yana para maaddress ini para hini na ordinansa.

Presiding Officer: Tama, para maaddress. Amo man la ito kay an aton based on DTP kun amo la ini gihapon, diri agi han DTP waray daw la gihap ini kay gindevolve ha aton an functions.

Hon. Fallorina: Depende la ito han availability of funds.

Presiding Officer: That is why igkukuan kun pwede maglapos dida hiton aton P.S. cap and for sure mayda bilngi la hin papel mayda manta ito kay pinasubrahan kita tapos two years back la gihap an gagamiton? So meaning igaallow kita hito for sure. So let us stand from there kay di na man kita hini makaka proceed. Usa-usahon ta la ini na sistema kay it question man la hini, is this ordinance based on DTP? Amo la kay kun diri waray ini gamit.

Hon. Fallorina: Mas maupay ada himuan ini hin resolution para ini ma comply.

Presiding Officer: Diri na kay aaydun mo nala it ordinance hito, aada man an committee report kita la.

Hon. Requiez: Diri na ini kinahanglan hin resolution, kun ano iton comment dinhi hiton body batunon mo. Kun makuntento na ngani hiton baton maapprove na ito. Igaddress la usa-usa an mga comments yana.

Hon. Fallorina: Iton compliance hini diri na masulod didi hinin ordinance.

Presiding Officer: Kay kun araydun, aaydon gud talaga iton ordinance.

IX. Having no more matters to be taken up, the session adjourned upon motion of Hon. Ergina, duly seconded by Hon. Fallorina at 10:35 A.M.

- II. Presiding Officer: Since absent hi Rhyss ngan waray pa niya mahimo an minutes of the previous session so let's proceed to our business of the day which is the AIP and Annual Budget C.Y. 2022 of the Municipality of Tunga.

Hon. Uribe: Mr. Presiding Officer before we go on with the Annual Budget I have a report to give to this august body.

Presiding Officer: Okay proceed.

Hon. Uribe: Regarding han other business, may ginhatag ako ha iyo nga photocopy han legal opinion han DILG, nasiring nga waray other business naa

kinahanglan tatrataron an Annual Budget itself, but after the 90-day period pwede na mag other business, but within the 90-day period waray other business.

Presiding Officer: How about an mga 2021 pa like hadin mga Supplemental Budget han barangays?

Hon. Uribe: Amo ngani iton problema kay amo iton siring heton balaud. Han una may ada hadto legal opinion ginconsider an other business tungod kay gingamit an word nga "may" dida han Section 323 of the Local Government Code. Pero may ada nagsupersede nga legal opinion amo ito nga legal opinion han DILG nga nasiring liwat gingamit an whole statutory construction nga kon ano an karuyagsidngon han language itself amo an pagbabasaran, pero kon kitaon mo iton language heton Section 323 nasiring gud nga diri pwede, so diri na ginpapagamit an word nga "may". Gingagamit an whole language itself, diri la usa la nga term.

Presiding Officer: Dida heton Local Government Code mayda didto "may" or waray?

Hon. Uribe and Hon. Ponferrada: May ada.

Hon. Uribe: Mayda didto provision nga may "may" pero diri hiya considered nga pwede nga ig-aallow an other business. Kon mababasa mo ito nga legal opinion Mr. Presiding Officer masasabutan mo nga diri pwede. So amo adto, waray other business.

Presiding Officer: Amon problema hini kay waray pa liwat kita budget nga ginsubmit nganhi ha aton nga final, aanhon ta man ini?

Hon. Uribe: Now we have invited the members of the Local Finance Committee.

Presiding Officer: Yes pero dapat mayda na unta final na nga budget. As of this time, waray pa final nga budget nga ginsubmit.

Hon. Obsequio: Oo kay an ginsubmit nga budget waray pa didto an increase ngan an ginpapa-create.

Presiding Officer: Actually, I'm pointing it out an hadi pa nga dapat iginbutang nala nga daan didto heton PS kon ano an mga items nga igkukuan kay anyway ini nga ordinance this may follow, ka approve masunod kita hin Supplemental Budget. Kay oho damo na inin aton other business, for instance inin MTOP ngan Supplemental Budget han barangay. Waray problema inin Supplemental Budget han barangay makakahulat ini, inin MTOP kay mapepenalty ini hira.

Hon. Requiez: Mr. Presiding Officer an aton Budget Officer dapat makag-submit na nganhi han final na nga budget.

Presiding Officer: Oo dapat an final na nga budget kay pwede man ipahabol nala iton iini nga ordinance.

Hon. Requez: Ginkadto ko ito hiya dida han kahuman han aton previous session ginsidngan ko adto nga ginpapabutang nala ni Vice dida heton budget an proposed nga mga items basi ma final kay an ginsubmit han una nga budget diri pa adto final.

Presiding Officer: Oo igbutang nala gidaan para ma final na.

Hon. Requez: Para ha akon non-sense gad nga sige kita pag-iniristorya heton budget nga diri pa man final ini nga budget nga aton gin-iiniristoryahan.

Presiding Officer: Amo lagi.

Hon. Uribe: Kay bisan ngani adin ira ginhatag Mr. Presiding Officer waray ngani pirma, karuyagsidngon kon waray pa mga pirma waray pa nira ginsubmit nga isakto nganhi.

Presiding Officer: Igfinalize nala unta anay niya inin budget.

Hon. Uribe: Oo igfinalize gud nira hin maupay.

Hon. Requez: Hon. Presiding Officer gin-invite ta man hira so paatindira ta basi hira mabaro kon ano an maupay nira buhaton nga ma finalize na ini.

Presiding Officer: Okay sige.

Hon. Aumento: Mr. Presiding Officer just a clarification, is this 90-day rule starts January 1?

Presiding Officer: Yes from January 1 to March 30.

Hon. Aumento: So our business of the day is in attendance of the Local Finance Committee, so adi nga legal opinion no other business will be treated here except the budget?

Presiding Officer: Oo.

Hon. Aumento: So in this regard, our Local Finance Committee are not allowed?

Presiding Officer: They are because they will discuss to us the budget kay hira an nagprepare hini nga budget.

Hon. Aumento: How about the Committee Chairman on Rules?

Hon. Uribe: Ha akon pagkaintindi Mr. Presiding Officer specially that the MBO is a member of the Local Finance Committee amo an pagpatawag ta hini para mabaro hira kon ano an ira dapat buhaton. As suggested by Hon. Requez para hira mabaro nga ma finalize na ini nga budget. Kay diri nafa-finalize kay bisan iton increases waray pa man.

Presiding Officer: Oo waray pa salary increase didi han ginpasa nga budget.

Hon. Uribe: Ngan diri maupay Mr. Presiding Officer nga naghihinatag la hira hin porma nga waray mga signatures, di ba?

Presiding Officer: Oo.

Hon. Uribe: Kay baga-baga la kita hini hin naghihimo hin budget. Hira dapat an naghihimo hin budget, igfinalize nira ngan ighatag nganhi ha aton. Baga it nahihinabo ha akon pagkita kay waray pa man mga signatures baga-baga kita hin intra hin paghimo hin budget heton executive department.

Hon. Uribe: Ngan Mr. Presiding Officer with regards han aton gin-iistoryahan, ini nga ira pag-appear ha aton it pag-iistoryahan hini is pertaining to budget salit pwede hira paatindiron kay we are talking about the budget.

Presiding Officer: Oo kay parti man ha budget.

Hon. Uribe: Mr. Presiding Officer hadto nag-iristorya na kita dinhi nga kon ano an igpapasa/igsa-submit nganhi ha konseho dapat may ada hira representative nga kon ano an ira tuyo. Diri kay ma submit la hira hin papel nga waray nag-eexplain. Ano man aton heto, kita la an maghihimo-himo heto?

Presiding Officer: Okay.

Hon. Requiez: Hon. Presiding Officer mayda la ako igpapakiana heton aton Chairman Committee on Finance. Dida han pagbudget hearing waray ka ba imbitara waray ka ba paatindira?

Hon. Obsequio: Waray.

Hon. Requiez: May sayop nira. Kay unta kon ginpaatindir ka ikaw asay an ma present hini dinhi kay ikaw an Chairman on Finance, maaram ka han nahitabo han kahimo han budget. May sayop hini han pagprepare han budget nga waray ka paatindira nga ikaw an Chairman on Finance.

Presiding Officer: Oo.

Hon. Fallorina: Mr. Presiding Officer iton akon hini baga suggestion kay samtang inin aton budget diri pa nafa-finalize mayda naman ako didi ginpropose nga ordinance nga amo ini nga mga items an igki-create, so amo la anay unta inin aton unahon pag-approve kay part ini hiya ngadto han budget.

Presiding Officer: Pwede gad pero an point heto dida delayed kita masyado, to the point nga kay inin aton ordinance damo pa ini an pag-aagian hini san-o magin approve iton plantilla, whereas kon unahon ta anay iton budget pagplantsa ma approve earlier madali nala kita sumulod heto once approve na iton ordinance, an ordinance para han creation han plantilla. Anyway, aadi na an aton mga bisita. Good morning to the Local Finance Committee and of course to the HRMO. So we invited you in this regular session to the effect that the Annual Budget for 2022 until now has not yet been finally drafted and submitted to us so we are having a problem because due to the Mandanas ruling so we suppose to add to the plantilla of personnel. Now, an aton ordinance is still pending, the problem is I know for a

fact nga we cannot kuan if the plantilla is not yet approve. So can you explain to us how will we treat this Annual Budget nga ma approve ini hiya? Kay nakikita namon diri pa ini final, di ba Hon. Obsequio?

Hon. Obsequio: Oo diri pa ini final kay waray pa ngani an salary increase, so ini nga budget an kadaan pa.

Presiding Officer: Puruminos we expect nga dida heton budget upod na an increase han salary. Anyway, we have the ordinance creating items and it will be approve. An amon man la nga masiguro nga mamayda information tikang ha iyo nga mayda kita kukuhaan, that is what we are asking for.

MBO: Good morning to all the members of the august body. Ini yana nga akon ginpasa nga budget kon mano-notice niyo tuod nga baga ini an kadaan pa kay di ba an aton budget hearing nag-ano man adto hi Mayor nga mahatag hiya hin full increase han 4th tranche basta an iya liwat hangyo baga i-ano. So amo ito nga ginreserve ko an para han increase ngan para han ginpapacreate nga item. Yana aadi man an akon computation. An matrix table ngay-an an aton heto gintatamdang tikang pa hadto kan Mr. Gler an kanan 5th class, although 6th class municipality kita pero an PS so far nakadto hiya han 5th class, baga gin-ookihan man ha province nga 5th class kita. So aada an akon ginhatag iyo nga matrix table kanan 5th class. Mayda na gad ako computation na para han aton PS kon baga magkakakuan na ba amo na talaga ini an ira salary. Katapos, aadi an per office nga personnel schedule so na amount ini hiya tikang ha Mayor's Office an iya PS is 3,151,612.48, included na ini dinhi an iya ginpapacreate nga item nga MDR pero subject for change pa ini niyo, proposal pala ini nga akon ginbutang dida. Kay inin MDR iton first niya nga ka create nga item heton first year dini ito hiya gin-include ha PS Cap kundi ha MDR la. Tapos ha kanan Economic Enterprise an iya PS liwat ginleless nganhan terminal leave benefits so ginleless ito ha PS Cap. So amo ini mayda na ako computation per office, na amount an per office tikang ha Mayor's Office down to Economic Enterprise hin P37,190,721.49 so amo ini an total an may increase na ini hiya nga proposal nga 4th tranche nga full nganhin mayda na ini an iya gin-aaro nga ginpapacreate nga items, an MDR salary grade 15, usa liwat nga item nga kanan DSWD an Assistant nga salary grade 8 ngan an 6 nga Utility, then an 2 nga casual. Ma compute na kita han PS Cap limitation, so an aton local income ma base man kita 2 years back, so an actual kanan Accountant ini hiya report. An local income 2020 is P3,722,732.39, tapos may IRA kita nga P52,462,605.00 an total niya is $P56,185,337.39 \times 55\% = P30,901,935.56$. An aton PS for 2022 na amount hin P37,190,721.49 igleless naton an Economic Enterprise an proposal na amount hin P4,644,679.84 less han MDRR nga gincreate nga item P375,983.68 less liwat han terminal leave benefits nga 1.4 million. Ini nga terminal leave benefits an nagkuan la hini hi Doctor, an Assessor, hi Mrs. Edang and Mrs. Paulita Afable, nagpropose ini hira nga by 2023 ma retire na hira, so yana nga 2022 ginbadgetan ko ito hira kay mayda ito hira letter kan Mayor, so amo ini na amount ini hin 1.4 million, aada ito ha PS kay aada ito ha kada nira office. So P37,190,721.49 less hini nga Economic Enterprise, MDRR and terminal leave benefits so an total is P30,770,057.97, so amo ini an aton net han PS Cap yana nga 2022. An computation naman han aton PS Cap limitation na amount man hin P56,185,337.39 kanan Accountant ini hira report ha COA, so $\times 55\% = P30,901,935.56$ ma less kita han aton net PS Cap for 2022 mayda pa kita P131,877.59, so diri kita na exceed han aton PS Cap limitation.

Presiding Officer: Gintatangal ngayon an MDRRMF ha PS?

MBO: Opo kay an MDR mayda ito Memorandum Circular nga iton first year diri pa hiya included ha PS Cap limitation pati an Economic Enterprise nganhin terminal leave benefits pinanle-less gud ito hira. Pero next year an MDR ig-uupod na ha PS Cap, so duha nala an mabibilin an Economic Enterprise nganhin terminal leave benefits nga permanente hiya ginleless.

Presiding Officer: Okay.

MBO: So parti naman han SRI every year ini diri kita hini pwede magbudget kay na depende man la ini han guidelines tikang ha DBM kay mayda hini implementing rules nga guidelines, so kon baga magkukuan kita nga bangin kita mawaray na, iton 2022 mayda kita mga vacant positions nga funded hiya mayda kita 3 nga nakabudget yana: Municipal Treasurer, Bookkeeper nganhin Budgeting Aide. So amo ini from January to July P471,724.48 ini, tapos adin Bookkeeper P126,852.04 = P598,576.52, so makakasuffice ini heton aton SRI yana nga year kon baga magrelease kon tagan liwat kita hin guidelines kay mayda man kita savings. So amo ito ada nala ha iyo ginpresent ko na ngatanan istadihi nala liwat niyo hin maupay.

Presiding Officer: Okay, questions?

Hon. Uribe: Madam Budget Officer san-o mo ini mako-consolidate para diri na ini magkasaramok na iton igsusulod mo na ha budget an igfa-finalize mo na?

MBO: Mako-consolidate ko ini mafa-finalize ko ini once nga iyo igkuan an ginpapacreate. Kay di ba nagkuan man nga maaro man anay han creation tapos mahatag hiya hin increase, so kon magkakuruan na ito amo na nga uutruhan na an budget.

Hon. Uribe: Ma'am ayaw heto nga mga kondisyon, i-finalize anay para matratar namon.

MBO: Kay diri man ako pwede magkuan hin funding kon diri liwat gincreate kon diri niyo ig-approve. Kay ini nga akon ginpresent yana may proposal na ini nga mga ginpapacreate ni Mayor nga MDR, DSWD, 6 Utility ngan 2 nga casual bali 10 iton aanhi, amo an pagsiring ko yana nga istadihi la anay niyo kon ano an iyo baga kuan san-o ako magfinalize hit at budget.

Presiding Officer: Meaning to say amo talaga ini an magigin final once ma approve an ordinansa?

MBO: Opo an final na ini nga akon ginpresent ha iyo.

Presiding Officer: So an igko-consider namon waray budget nga iginpasa?

MBO: Mayda ako ginpasa nga budget waray ini nga creation ngan increase.

Presiding Officer: Kon amo adto an amon ig-approve ano man ito?

MBO: Kon ig-approve adto niyo waray an creation waray an increase. Amo ngani nga nag-ask ako hini hin opinion didto ha Provincial Budget Officer kan Ma'am Gina, "Ma'am dida han amon pagbudget hearing nagpropose hi Mayor hin sugad hini katapos mayda liwat niya for creation so yana diri pa ini kuan didto ha SB, ano man an akon bubuhaton nga mapasa ko anay iton budget?" Siring niya, ipasa anay nga waray creation waray increase iplatar anay ha ira ibutang la an unappropriated balance nga sobra 5 million kay ito nga 5 million dida makuha han increase ngan an pagcreate han item, so waray ito pakuana ni Ma'am para kuno mahapsay i-present anay kon ano an difference. So amo ito yana nagpasa ako han budget labi na nga waray pa adto an DTP pero yana approve na istadihi nala niyo kon anon iyo bubuhaton.

Hon. Requeiz: Madam Budget Officer before kamo magsit-in nagdiscuss anay kami parti hini nga Section 323 han Local Government Code nga waray kami iba nga tatrataron dinhi other than the budget. Nag-aro kami hin legal opinion han amon Committee on Rules nagreport hiya parti han legal opinion han DILG. An tatrataron gud la is the budget, so ito nga pagcreate hin items diri pa ito matatratar yana kay waray pa an budget. So yana waray kami iba nga pag-iiristoryahan kundi budget la.

Hon. Uribe and Hon. Obsequio: Budget gud la an amon pag-iiristoryahan yana.

MBO: Kay diri man pwede kay nagkuan liwat ako hin opinion ha DBM diri ako pwede pagpasa hin budget nga may increase nga may creation kon diri pa approve an created nga item kay maagi anay didi ha HR ito nga ginpacreate nga item.

Hon. Requeiz: Kay ano nga makakahimo kami yana hin ordinansa pagcreate hin items nga diri kami pwede pagtratar hin other business kon diri pa approve an budget?

MBO: So waray kita heto makukuan.

Hon. Requeiz: Matalapas daw kami heton Local Government Code.

MBO: Amo la iton aton heto yana makukuan, ipapakiana ko la liwat ito yana ha DBM kon mag-aano ako. Kay an ira siring ayaw anay pagkuan kon amo ito nga mayda nira agreement nga sugad heto.

Hon. Obsequio: Diri ito amo.

MBO: Kay diri ako pwede maghimo hin budget nga mapondo ako without han created item kay pagpondo na ini.

Hon. Requeiz: Magawas ini yana amo adto an amon aaprobaran nga imo ginpasa nga budget.

Presiding Officer: An daan nga budget nga imo ginpasa amo an amon aaprobaran?

MBO: Okay la kon ig-approve niyo an daan diri na kita makaka-increase.

Hon. Requez: Kay diri man kami yana makakagtratar hin iba kundi budget la.

Presiding Officer: Correct. Diri ba ito pwede igreserve nga once ma approve na an ordinansa mayda kita pondo nga nakareserve?

MBO: Mapakiana anay ako ha DBM.

Presiding Officer: Ma supplemental kita, pwede man kita magsupplemental, di ba?

MBO: Mapakiana anay ako ha DBM.

Hon. Aumento: Mr. Presiding Officer for the MBO, an imo sinisiring nga condition is there an issuance of that condition?

MBO: Diri proposal la adto ni Mayor.

Hon. Aumento: Give it to us kon hain ito nga issuances about that condition nga kon waray approve nga creation of plantilla waray increase.

MBO: No diri, an akon karuyagsidngon ginpapaplastar man niyo so diri ako mapondo kon diri anay created. Ini nga akon ginplatar nga computation diri ini na exceed an PS.

Presiding Officer: Diri ba pwede Madam Budget Officer nga unahon anay an mga existing nga mga items with increases kontra han ginuhulat ta nga mga items to be created nga maurhi? Diri ito pwede masugad?

MBO: Mapakiana kita ha DBM kon adto nga akon ginpasa okay na niyo ig-approve.

Presiding Officer: Diri, an point heto dida an akon pakiana diri ba pwede nga masubmit ka hin plantilla with increases heton mga incumbent nga mga aada yana nga mga tawo kay an ginuhulat naman la naton heto yana an creation. Kay kon maurhi an creation pwede man ito ma supplemental nala naton nga makatalabok la kita. Why would we deprive the people nga aanhi yana heton ira increase nga ginbargain mo nga kinahanglan magcreate hin item bago mag-increase.

MBO: Diri ako asya an na bargain. Dida han pagbudget hearing ginpropose ito ni Mayor. Di ba an budget kanan Local Chief Executive man so nagkuan la ako ha iyo nga amo ito an proposal ni Mayor nga may increase basta mag-create, ginfa-follow ko la nga ginpresent ko la ha iyo an proposal ni Mayor.

Presiding Officer: An problema kasi hini kay naabtan na kita agi heton aton ka mga malang-anon. Whereas, kon an hadi pa ito after han DTP na formulate na ito dayon nagdiruderetso hapit nahuman na kita until now. Diri ba ito pwede nga mauna la anay iton salary increase heton mga incumbent nga mga empleyado katapos magsalin ka para heton mga ig-crecreate nga igsupplemental ta right after ka approve han ordinance pagcreate han plantilla positions, pwede ba ito matabo? Engr. Arintoc sige daw?

MBO: Pasit-inon ta lugod hi Mayor yana dayon para hiya iton magdecide.

Presiding Officer: Ayaw kay diri ta iton kuan dinhi kay iya ito kuan dapat.

MBO: Diri kay bangin la hiya sumiring nga diri kay ako nakuan la ako kay bangin sumiring nga ayaw. Para unta aanhi hiya nga makakadecide hiya kon mag-aano kita kay dali-dali na inin aton naglalanat na kita hin time.

Hon. Uribe: Ikaw iton Budget Officer diri hi Mayor.

MBO: Kay diri kay bangin kuan.

Hon. Uribe: Tigamni Ma'am ikaw iton Budget Officer diri hi Mayor.

MBO: Opo ako an Budget Officer.

Hon. Uribe: Sumati hi Mayor kay ikaw iton Budget Officer nga amo inin maupay.

MBO: Kay an iya suggestion kay na propose man hiya so diri ako nakakakuan.

Hon. Baac: May kopya man kita hinin legal opinion tikang ha DILG pakipabasa nala ini ngadto kan Mayor nga diri kami pwede pagtratar hin bisan ano kundi iton budget anay iton unahon, adi man ipakita ini ngadto ngan bangin ka liwat kumadto ha DBM ipakita liwat ini ngadto.

Presiding Officer: Why so otherwise kon ano an na submit nga budget amo iton amon itatratat.

MBO: Oo amo adto.

Hon. Requez: Amo la an aton tatrataron budget la. Makakatratat la kami heto nga creation heton item pag-abot hin 90 days tikang yana nga January or ngada ka approve han budget, so kon waray budget pa nga ma approve aadto na kami hit April makakagtratar heto nga mga iba nga sedang pag-iristoryahan namon dinhi. Ha pagkayana waray kami iba nga pag-iristoryahan kundi an parti budget la, diri kami pwede kay matalapas kami heton Local Government Code.

Presiding Officer: Kon an na submit na niyo ha amon amo an amon ma approve ma supplemental nala kita heton plantilla ma supplemental liwat heton increase, so puro supplemental iton matatabo. Engr. Arintoc sige daw tagi daw kami hin baga bird's eye view of what is happening?

MPDC: Good morning ha aton ngatanan. Before kasi magtratar hin budget dapat mayda kita anay approved nga plan which is an AIP kay didto nakabasi an budget naton, so dapat talaga unahon anay an AIP which is included didto an item pagpacreate han plantilla positions nga iyo pagbubuhaton after maapprove an Annual Budget. Now, dida kita magkakaproblema hadton pagpapacreate han item kay nasiring dida han Budget Operations Manual, diri kita pwede magcreate hin position kon an Salary Standardization Law diri pa hiya implemented. An ginpasa yana nga budget waray pa adto salary increase. Ha usa nga scenario kon aprobahan niyo an budget ngan mapacreate hin item mayda liwat kita natatalapas nga balaud kay waray naton i-satisfy an pagkuan anay han Salary Standardization Law. So kon mayda unta makakag-advise han aton Local Chief Executive through

kan Budget Officer mas okay kunta ipasa an budget nga mayda salary increase kay para pagcreate han item waray na kita problema kay diri kita na exceed han PS. Tapos included na ha aton AIP mayda na didto an pagcreate han plantilla position. Katapos kasi han creation diri man ito pwede durungan an funding, ma supplemental kami han AIP isusulod an PS adton mga created nga items, so amo unta ito an magigin law.

Presiding Officer: Kay ano nga ginlilinipong pa kami nga within the Local Finance Committee maaram man ngayan kamo heton solution heton iyo dapat pagtrabahuon. Why is it happening nga kami dinhi iton nagkakaproblema hini, an Sangguniang Bayan?

MPDC: Depende man gud ito ha aton Local Chief Executive.

Presiding Officer: If we will all just follow heton guidelines and rules waray kita problema. Madam HRMO, ano ngayan an imo baga kuan nga baga nahiupod ka man yana dinhi hinin mga visitors?

HRMO: Maupay nga aga ha iyo ngatanan. So far an suggestion ni Engr. Arintoc amo adto an maupay nga paagi para magin smooth an aton pagkuan kay total pag-i-approve na an budget nga may increase o waray increase man pwede maghulat hin 90 days para makagcreate hin positions. Takay kay diri man kita makagcreate kon an iyo ig-aapprove nga budget an dati la nga ginpasa.

Presiding Officer: Oo an waray increase.

HRMO: So para makagcreate liwat hin mga positions dapat an igpapasa nga budget an may increase na ngadaan an iyo aaprobaran. Kay tungod man liwat nga may balaud man liwat nga matatalapas kon masusugad heto.

Hon. Obsequio: Oo.

Presiding Officer: Makuri kasi kon puros la kita bargaining. Okay gad la iton bargain basta trabahuon ta anay kon ano iton tama, then sige we will approve, we will do the creation waray man ito problema.

Hon. Requez: Madam Budget Officer gintagan ka na hin assurance heton aton Vice Mayor nga ito nga creation aaprobaran man.

Presiding Officer: We will kay DTP ito, that is part heton aton Devolution Transition Plan.

HRMO: Ngan klaro la nga mayda talaga pondo.

Presiding Officer: Kon may pondo waray kami rason nga diri kami ma approve.

Hon. Requez: Aada ito ha minutes nga aaprobaran ito.

Presiding Officer: Definitely.

Hon. Uribe: And Mr. Presiding Officer for the record diri aton sayop ha konseho kundi aadto han executive kay kon magtalapas liwat kita heto nga balaud nga sinisiring ni Engr. Marlon hi kami liwat an kairo.

Presiding Officer: Oo kay kon magcreate kita nga waray pa an Salary Standardization Law kon diri pa implemented matalapas liwat kita heton balaud.

Hon. Uribe: So follow kita heton sinisiring ni Engr. Marlon.

Presiding Officer: Supportive man liwat an aton HRMO.

Hon. Uribe: Ngan amo ito an amon ginbibiling nga ma finalize ito nga budget kay nagbibinasa kami didi hin budget nga an hadto pa diri pa final tapos pa gud diri kami nakakabasa diri klaro kay gudti.

Hon. Requeiz: Gusto ko la ikuan ha aton mga bisita nga hi kami dinhi we are a law maker we are not a law breaker.

Presiding Officer: Oo.

Hon. Requeiz: Kay makuri ito nga nakikita namon nga diri tama nga mapabor kami kay magigin law breaker kami.

Presiding Officer: Yes very well said. Mr. Treasurer anon imo baga idea hini? Upay ini hiya kay may background ini tikang ha iba nga munisipyo.

Treasurer: Fortunately didto ha amon diri liwat nasusugad nga naiiha an budget. So an maupay la kasi heto sundon ta nala an guidelines. So ha iyo pala siring nga diri man kamo mag-uulang han creation.

Presiding Officer: Diri, what for?

Treasurer: It depends nala ha MBO. An usa kasi heto dida nga nalalangan an budget, an budget gud dida iton kairo. So karuyagsidngon for 2022 waray pa kita budget.

Presiding Officer: An kairo an budget ngan an expected nga increase han mga empleyado nga may guidelines man ngay-an kita nga dapat na satisfy anay an salary standardization. Urhi na ngani kita hin duro.

MBO: Oo kay an kan Pinoy pa kita.

Presiding Officer: Oo an kan Pinoy pa kita, waray pa ngani kita magkuan han kan Duterte.

MPDC: Matitima nala ngani liwat an term ni Duterte waray pa kita makaka-increase.

MBO: Waray pa kan Pinoy pala kita third tranche pala kita.

Presiding Officer: Third tranche pala kita han kan Pinoy. Diri ba ito niyo kaya dependiran/depensahan nga guidelines? Kamo an naiipit hini. Engr. Arintoc maaram kamo pero diri niyo natitundugan kon ano an dapat. Diri ba ini niyo kaya depensahan?

Hon. Uribe: Mr. Presiding Officer buhaton ta nala kon ano an dapat kon ano an balaud. Ayaw nakita heto nga mga kondisyon nga mga ano, amo iton nakakaguba heton budgeting. Kon ano an balaud i-follow ta, ayaw kita heto nga mga kondisyon nga diri makuan kay amo ini, diri ito maupay. Hi kami didi nagkakaano-ano liwat kami kay diri maupay ito nga mga kondisyon. Follow la kita kon ano iton balaud.

Presiding Officer: Yana la ngani kami heto nakakuan nga idea nga dapat ngay-an sugad heto nga proseso nga dapat na satisfy anay an salary standardization.

MPDC: Additional la, an aton gin-aaro nga satisfaction han Salary Standardization Law (SSL) atleast usa la anay ka tranche diri an bug-os kay diri kaya han aton budget. Buotsidngon pag third tranche at least maka-fourth. Kay kon ig-implement naton ngatanan waray liwat kita igba-budget. At least bago magcreate han position mayda anay na satisfy nga usa nga tranche, sugad kunta heto.

Hon. Uribe: Engr. Marlon na fill-apan na ngatanan an aton mga mandatory positions?

MPDC: Adi man hi HRMO.

HRMO: Waray pa an Municipal Treasurer.

Hon. Uribe: Usa pa ito may balaud heto nga ayaw kita pagpinanhimo hin mga positions kon diri pa ma fill-apan iton mga mandatory positions, may balaud liwat ito.

Treasurer: Hi ako kutob nala ako han April dinhi.

Presiding Officer: Kutob ka nala han April dinhi?

Treasurer: Oo ngan diri na ako ma extend.

Presiding Officer: Kay ano liwat?

Treasurer: Gingugul-an na ako pagbinalik-balik nganhi, it's been 2 years and 6 months na kasi.

Presiding Officer: Waray ba exemptions yana kay nag-increase man an aton IRA? Waray ba exemptions parti heton mga PS mga anya? Ano man gamit han sobra nga dapat kon 80 million kita yana 55% of that purdominos 40 million for PS? Ngan an kuan liwat 30 million man la, so mahihingain pa man an 10 million nga intended for PS? Kay yana ito nga kwarta maabot diri ito han kuan pa.

MPDC: An computation kasi han PS han yana nga IRA after 2 years pa ito hiya.

Presiding Officer: Kanan 2 years back?

MBO: Opo, so diri ito nga sugad la heto ka percent kay mayda heto computation.

Presiding Officer: Diin man ini gagamita nga salin heto nga 80 million?

MBO: May 20% nga development fund, may 5% nga calamity...

Presiding Officer: Waray ito problema. Ito nga 10 million nga nakukuan han PS? So ano man maupay hini? Actually, iton problema aada ha iyo natikang diri aadi ha amon.

Hon. Uribe: Igplastar hin maupay.

Hon. Baac: Hon. Presiding Officer I move that the submitted budget be returned.

Hon. Ponferrada and Hon. Uribe seconded the motion.

Presiding Officer: Okay carried. Ig-uuli ito namon nga budget and we will wait for the final nga budget.

Hon. Uribe: Maupay hini Madam Budget Officer by Monday ikakanhi mo na ha amon iton budget kay waray kami pagsesesyunan.

MBO: Diri ako hini makakakuan kay budget ini damo ini.

Hon. Uribe: Sige la, nahangyo la kami kay kon mawaray hini nga budget waray kami session.

MBO: Sige la tatalinguhaon ko.

Presiding Officer: Dig-oni gad man niyo kon anon tama, din man ada kita dinhi dektadura, diri kita martial law so it means to say everybody has a say specially that you are the Budget Officer. Kon may problema hino an mamamaton? Eh di ikaw, so save yourself. Ikaw iton mambabaton kay iton politicians lumalabay la. Ako lumalabay la ako dinhi sunod nga set waray na ako dinhi nga pwesto ko for sure. Lumalabay la kami kamo it salin. That is why kon may mga kiha upod kamo pirmi, so better save yourselves. So kon anon tama buhaton ta nala para diri kita magkaproblema, okay?

Hon. Aumento: For the information of the MBO next Monday is ika 5th Monday of the month January 31, so it will be a recess. So the MBO will have an ample time to resubmit the budget for the next regular session.

Presiding Officer: Pwede man, we'll discuss it later kon magkukuan kita hin recess kay anyway sandwich ito because the following Tuesday February 1 is Chinese New Year and it's a non-working holiday.

Hon. Fallorina: Mr. Presiding Officer since the budget has been returned to the executive, so pwede na ada naton trataron an aton mga other business.

Presiding Officer: Diri ako heto makakabaton. Hon. Uribe the Chairman Committee on Rules.

Hon. Uribe: An ginhatag ko ha iyo nga DILG legal opinion mayda pa ngani heto series pa han 2014 nasiring gud didto nga waray other business kundi an budget la an pagtatrataron ta within 90 days. After 90 days makakatratar na kita hin other business, but within 90 days diri kita makakatratar hin other business.

Hon. Requeiz: It magawas hini Mr. Presiding Officer once diri makasubmit hin bag-o nga budget iton aton MBO waray kita session sunod?

Hon. Uribe: Oo waray kita session, amo ito an sinisiring ko kanina kan Madam Budget Officer nga kon han Monday makasubmit unta para kita magsession.

Presiding Officer: Oo. I-finalize la anay niyo kay kon ano an i-submit nganhi ha amon amo man la ito an amon igdidiscuss.

Hon. Requeiz: Damo inin amon other business aadi ngani inin kanan MTOP ngan an kanan mga barangay Supplemental Budget diri kami pwede makagtratar hini dinhi kon diri pa ini mahuman nga budget kay amo iton aada heton balaud.

Hon. Uribe: Oo kay no other business kundi budget gud la.

MPDC: May additional info la ako, an aton AIP para 2022 an computation hadton PS kanan 4th tranche na.

Hon. Obsequio: Aw okay na ngayan an AIP an Annual Budget la ngayan an may problema?

MPDC: Oo kay gin-andaman na adto hiya kay an AIP diri man gud hiya strikto.

Presiding Officer: Kay di ba nagsasabay an AIP nganhin an budget, so meaning to say waray ito hira yana magtugma?

MPDC: Diri, an budget kasi nakadepende han approved nga plan, so waray niya sunda an kuan.

Presiding Officer: Ah okay, so waray kana problema on your part?

MPDC: Magsusupplemental AIP nala pagmagcreate na kamo hin item kay saka pala igsusulod.

Presiding Officer: Pwede na namon aprobaran an AIP?

MPDC: Oo.

Presiding Officer: Sabagay nauuna man gud an AIP.

Hon. Obsequio: Oo so pwede ta na aprobaran an AIP kay an budget naman la an may problema.

Presiding Officer: Oo budget naman la an may deperensya. Nagkakaurusa man ada kamo nga amo dapat ito an proseso? Pag-istorya gad kamo kay iton Mayor diri man gad ito sugad kakuan mamamati gad man ito ha iyo gihapon. Kulang la

ada ini hin maupay nga explanation. Makuri man Madam Budget Officer kon pirmi ka la magtitinangdo. Budget Officer ka purluminos an adviser to the Local Chief Executive nga amo ini. Ikaw an na attend hin seminar, ikaw an nakarawat heton mga circulars so you should have the knowhow not the Mayor.

Hon. Uribe: Damon Mayor nga diri nasabot pagbudget.

Presiding Officer: Waray problema iton Mayor bisan diri maaram magbudget, importante an Budget Officer maaram magbudget kay diri ito niya iniskwelahan iton Accounting or anya. At the end of the day waray sala iton Mayor, it always go down heton nagtatrabaho.

Hon. Requeiz: Hon. Presiding Officer mayda la ako igsa-suggest heton aton MBO, sunod nga pagbudget hearing niyo imbitara iton amon Committee Chairman on Finance or di ngani ubusa iton SB pag-imitara parehas ba han aton DTP kay para kahinganhi na han budget sayod na ngatanan aware na ngatanan para waray na damo nga pakiana. Kay amo iton akon naobserbaran nga nagkakaada hin problema kay dinhi usa ko ito nga kinukulangan, kay kon pagbudget hearing nga aadto tanan iton SB waray na kita damo nga iristorya dinhi parti heton budget, paghinganhi han budget waray na problema.

MBO: Kay an Finance invited man adto, hi Vice nakadto ngani adto han pagbudget hearing.

Presiding Officer: Oo nakadto ako pero kay waray man la hadto kay diri man kita nagba-budget hearing, ano ba an tawag hadto kay gidaan ka naman may prepared. It was not a budget hearing. It should have been presentation per department kon ano an ira mga kinahanglan, that should have been the proper process.

Hon. Requeiz: Sunda ta iton proseso, pasabmita anay hira hin budget proposal.

MBO: Oo mayda nira PPMP may suggestion nira.

Hon. Requeiz: Kataliwan i-plastar ikaw man an nag-aayad han budget igkada an ira budget proposal, tas an aton kwarta kon anon kaya ngan diri kaya ibutang dida. Kay basi paghingadto heton iristorya with regards han budget proposal dumara nga diri kaya so for instance 100 so aadi la heton 70. Amo iton akon experience ha una ko nga mga assignment basta budget hearing

MBO: Amo ngani ito may PPMP, permanente ako naaro hin PPMP aada dida iton iyo mga proposal ginpipresent ito hiya dida heton budget hearing. Amo ngani nga nahangyo kamo tapos nagkukuan kita dida heton budget hearing nga amo la ini an mahahatag ni Mayor nga diri pa adi pwede kay sugad hini. Ginpipresent ito pirmi, gindedeliberate ito dida heton budget hearing iton iyo mga proposals iton iyo mga suggestions kay aadto ito hiya heton PPMP niyo.

Presiding Officer: Level-up nala kita sunod iton mayda power point presentation.

Hon. Requeiz: Oo kinahanglan igpaplastada gud hin maupay. Pero iton may last say kon ookihan or diri iton budget proposal heton kada opisina is the Mayor.

gud iton last nga na desisyon kon tatagan kamo or diri. Na obserbaran ko ito han akon una nga mga assignment nga amo gud ito an natatabo didto.

Presiding Officer: Oo permanente normal ito nga Mayor an may last say. Any other questions? Returned an budget ha for the record. So kon ano an iyo igsubmit that would be final amo iton amon igtatatar. Kon may increase let it be mag-aano pa man kita, kon may salin igsupplemental. Waray pa plantilla kay waray pa an ordinansa. Kon ma approve an ordinansa ma supplemental.

MBO: Oo.

Hon. Obsequio: Third tranche pala kita yana kon mag increase ma ika fourth tranche pala kita. Kon mag-approve kita han waray increase waray ordinansa nga masulod parti creation.

Presiding Officer: Oo, rest assured ma approve kami han ordinance parti creation basta sumunod la kita han proseso nga tama nga ma implement anay an salary standardization para makagcreate. Sunod la kita hin tama nga proseso waray ito problema. Any other query? None, so thank you ha iyo ngatanan, you are all excuse.

Visitors: Thank you.

Presiding Officer: So amo adto the budget has been returned. And it is kuan from our Committee on Rules nga we will abide the provisions of the Local Government Code that no other business but only the budget itself. Burublig nala kita pagbaton kay kukuliton kita hini.

Hon. Uribe: Makuri liwat kay Local Government Code ito.

Presiding Officer: Oo amo ngani makuri kita magbreak heton balaud.

Hon. Baac: How about the request of Hon. Aumento nga magrecess next Monday?

Hon. Aumento: Yes because it's already 5th Monday of the month, so can we have a recess?

Presiding Officer: Sugaron ta hini, diri ngani hira makasubmit hin budget within the week we will have a recess. Kon makasubmit hira hin budget we are oblige to have our session next Monday.

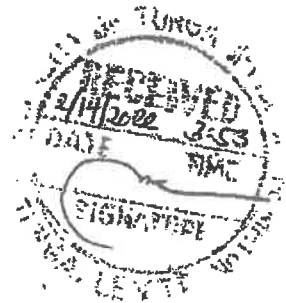

Hon. Requez: So kon diri hira makasubmit hin budget within 1 month waray kita session?

Presiding Officer: Oo masusugad. Waray kita session kon waray pa an budget kay waray kita tatataron, no other business nga igtatatar only the budget. So for the record, kon diri pa hira makapasa hin budget waray kita session until such time mahinganhi ha aton an budget.

ABSENT:

Hon. Egidio G. Baac - SB Member

- I. Determination of Quorum:
There being a quorum, the session was called to order at 9:25 in the morning.
- II. Reading and correction of minutes of meeting no. 109 held on February 7, 2022 regular session.

Hon. Ponferrada: Having no correction, I move for the approval of the minutes of meeting no. 109.

Hon. Obsequio: I second the motion.

Presiding Officer: Having been moved and duly seconded, the minutes of meeting no. 109 held on February 7 is hereby approved. We have here also the minutes of meeting no. 107 held last January 17, 2022, nagbasa na kamo? Hon. Ponferrada nabasa mo na ini nga minutes?

Hon. Ponferrada: Yes Mr. Presiding Officer nabasa ko na pero mayda la ako igkukuan ngadi han minutes kay waray ngadi an amon Committee Report. Amo gad la Mr. Presiding Officer waray la mag-appear an amon Committee Report ngadi han minutes.

Presiding Officer: Hon. Buranday?

Hon. Buranday: Sorry waray ko la kaupod an Committee Report, ig-iinsert nala an Committee Report didi ha page 6.

Presiding Officer: Okay, so for next session nala ini nga minutes no. 107 kay ig-iinsert pa man an Committee Report.

Hon. Ponferrada: Yes-Mr. Presiding Officer.

Presiding Officer: Okay, so let's proceed to our business of the day.

III. AIP and Annual Budget C.Y. 2022 of the Municipality of Tunga

Presiding Officer: So our business of the day is the AIP and Annual Budget C.Y. 2022. So last session ginrefer ha committee an revised Annual Budget, so Hon. Obsequio the Chairman Committee on Finance.

Hon. Obsequio: With regards to the Annual Budget waray pa kami pakagkuan gud hin committee report kay baga diri ako nakakaklaro han budget kay gudti nga duro, so I move to invite the MBO for the next regular session for some clarification. With regards to the AIP okay na adto kay nagkuan man adto hi Engr. Marlon nga upod na an mga increase so okay na so pwede na naton aprobaran an AIP, so I move for the approval of the AIP C.Y. 2022. An Annual Budget idedefer la anay for the next regular session kay may mga questions la kami nga igpapakiana kan MBO, so I move to invite the MBO for the next regular session.

Hon. Ponferrada: I second the motion, and with regards to the motion for the approval of the AIP I will second also.

Hon. Aumento: Mr. Presiding Officer I would like to clarify the AIP 2022 about this Continuation of Construction of Municipal Evacuation Center (Finishing Touches). We are now retroactive about the isolation facilities. Now, I would like to request that this Evacuation Center be utilized as an evacuation site and isolation facilities. And this 1 million allocation for this finishing touches will be suspended kay nagpoproblema inin barangay hinin isolation facilities. Now, on may assessment iton kanan Balire diri gud ini for human occupancy kon amo man an gintutudlok, so nagkakaada kami hin problema hini.

Presiding Officer: Okay, that's your observation ano, so thank you. Bisan pa ini hiya kuan this will be in the Annual Budget kay dida han AIP in so long as aada hiya its either internal or external sources pwede hiya aada talaga ha AIP because it is a plan for 2022. So an implementation it's a different story, they can have it in the IATF nga meeting dapat gindidiscuss ito hiya. Tama ba ako Hon. Uribe?

Hon. Uribe: Yes Hon. Presiding Officer.

Presiding Officer: So pwede igdiscuss ha IATF meeting and the regular budget through the MPDC kay di ba may phasing kita heton first quarter amo ini nga mga projects. Ha AIP aada ba or bug-os pa hiya? Kay kon igkada nala ha last quarter an implementation siguro by that time diri na siguro baga duro inin aton COVID.

Hon. Aumento: Mr. Presiding Officer with regards han akon kuan kanina we should note this on our budget that the implementation of this 1 million finishing touches should be implemented on the last quarter of 2022.

Presiding Officer: Oo pwede ito hiya ma note dida heton aton appropriation ordinance.

Hon. Aumento: With remarks or whatever.

Presiding Officer: Yes pwede dida heton appropriation ordinance citing ha usa nga whereas that this item/program will be implemented on the last quarter due to the surge of COVID 19 cases, pwede man sugad nala heto. So we will include it on the appropriation ordinance pag-approve na an budget, because nakikita ko ma-approve na ada ini nga budget ginkukuan la naton may clarification la kay mayda pa it iba mga pakiana pero rest assured nakikita ko I myself is willing to cooperate on the approval of this budget. An aton man la hadto no. 1 nga request was the salary increase. Amo kasi an priority an increase once makuan na naton an increase everything will follow pwede na makagcreate. So maupay liwat nga ig-iinvite mo hi MBO for the next regular session because papakianhan ta kon nagset aside hiya hin budget para kon magcreate kita heton items an ordinance ni Hon. Fallorina mayda budget nga available. So hopefully kon makaattend hi MBO next week magkakaada na kita hin clarity.

Hon. Fallorina: Mr. Presiding Officer how about an aton AIP kay baga waray naman adto problema? I-approve nala naton an AIP.

Presiding Officer: Actually, there's a motion of Hon. Obsequio for the approval of the AIP and it was duly seconded, so the AIP for C.Y. 2022 is now approved. And with regards to the Annual Budget we will invite the MBO for next session. MBO la ba diri na ig-uupod hi MPDC?

Hon. Obsequio: MBO la kay may clarifications la han budget.

Presiding Officer: Okay, so the MBO is invited for the next regular session.

Hon. Fallorina: Mr. Presiding Officer na refer na ba ini ha committee?

Presiding Officer: Last week na refer na ini, that's why we are free to discuss today.

Hon. Fallorina: Kay kon didto nala ini nira pag-iristoryahi ha committee.

Hon. Obsequio: Pagclarify man la amon kay kon ma okay na pwede naman ito aprobahan.

Hon. Fallorina: Pwede man ito ha committee nala niyo ipatawag an MBO.

Presiding Officer: Mas maupay siguro if we treat this as a whole.

Hon. Requiez: Hon. Presiding may ponto liwat hi Hon. Fallorina kay once ginrefer ha committee level an committee pwede nira imbitaron an aton MBO para han ira mga nakiana kay ha committee level dida hit ira pagcommittee hearing kon hira

iton mga concerned nga sadang pamakianhan pwede ito naton imbitaran. Amo iton purpose nga mayda kita committee hearing.

Hon. Ponferrada: Mr. Presiding Officer I would like to clarify that power to hear can be delegated into a committee, power to decide cannot be delegated to a committee it has to be exercise by all the Members of the Sangguniang Bayan as a whole body.

Presiding Officer: Okay noted.

Hon. Aumento: Same opinion with Hon. Ponferrada that iba an committee level nganhi ha plenary session. We consider it as a whole kay bangin an iba may mga pamakiana kan MBO. That's why the request of Hon. Obsequio for the appearance of our MBO on our next regular session na okay ako.

Presiding Officer: Pwede liwat ano because madodoble iton appearance ni MBO, ma dedelay lugod ada hin duro kon ma attend didi ha committee para hit ira mga pamakiana tapos dinhi liwat. We will decide of course, we will not be depending on the result of the committee report because we will divide the house for the approval of such budget.

Hon. Uribe: That is correct Mr. Presiding Officer in my own opinion. Kay ano? Kay kon magkaada hin problema didto heton committee namon ihahatag man la gihapon namon nganhi as a body. Now, diri siguro makuri kon igdirekta naton ngadi heton body diri na mag-agi hin committee report so that the whole body will make a decision not only a committee. Kay mag-iiha kita, mag-iiha pa didi ha amon committee tas igkakanhi pa.

Presiding Officer: Oo magmamaiha nga duro kon igkukuan pa ha committee kay amo man la gihapon pag-abot nganhi another explanation na liwat. Kay sugad ha amon we will let her explain we will not be depending heton committee report kinahanglan gihapon liwat namon mabatian an MBO. To shortcut the process let us invite the MBO nganhi so that everybody will participate and kon clarified approval man it gawas.

Hon. Fallorina: Mr. Presiding Officer ha akon la pagkita baga diri na amo iton proseso. Once ngani igrefer ha committee an committee na iton magkukuan heton committee hearing kay pwede man nira ig-invite iton aton MBO. Kon makagdecide hira kahuman heton meeting then maghatag hira hin recommendation tapos igdiscuss naton dinhi ngan solbaron. Kay kon ig-aagi pa dinhi mag-iiha lugod kay magdidiscuss hira didto tapos magdidiscuss liwat dinhi.

Presiding Officer: Magawas hini we are treating the budget as a whole. Why? Because we will not be depending on the committee report la, we will discuss because we are required to vote usa-usa. Kay kon igkukuan pa ha committee mag-iiha lugod. Kon okay la ha imo mag-iiha then waray kita heto mahihimo because in the committee level 2 weeks would not be enough. Tapos pag-abot nganhi another set of explanation because diri man kita aware kon ano an ira gin-iniristoryahan. Mapakiana with the same question didto ha committee ngan dinhi liwat so mag-iiha lugod. Kon as a whole mas maupay because everybody will be clarified. I do not think so if Hon. Obsequio Hon. Uribe can discuss what being

explained by the MBO. How would you defend heton budget nga diri kamo an naghimo? Utro man la liwat kamo nga nag-iinquire, di ba? So I think shortcut kon igdirekta ta nganhi hi MBO. Actually waray naman gud ako nakikita nga problema simple nala ada kon mayda man. Maupay ngani dinhi kay MBO la an gin-iinvite didto ngani ha iba nga mga munisipyo ngatanan nga mga heads of office gin-iinvite para heton ira budget. Imagine ha an aton budget presentation diri sugad heto ka rigid. Ginpapasubmit la hin PPMP tapos mayda naman allocation, that should not be sugad la heto. So amo adto we will invite the MBO for next session. An AIP approve na, so there's no reason nga diri maaapprove an Annual Budget because the AIP is already approved. So an AIP an aton guide. Didto han AIP kompleto naman ano? Nakadto na ito nga mga items for creation naka-include na ha plantilla because that is a plan.

Hon. Obsequio: Waray pa kay waray pa creation. Igsusupplemental nala kon mayda na creation.

Presiding Officer: Aw ma supplemental AIP nala. Ito nga parti creation an nakadto ito ha DTP and it all depends on the availability of funds. In so long as funds are available then nobody from the Sangguniang Bayan can prohibit with the creation of plantilla positions that are based from DTP. Okay, so that's all for now kay diri man kita pwede magkuan hin other business. With regards han aton baratunon tagsa-tagsa kita mabaton, mayda na ako ngadi copy han mga minutes han mga panhitabo kon ano kasugad han delay, so mabaton kita.

III. Annual Budget C.Y. 2022 of the Municipality of Tunga

Presiding Officer: Actually mayda letter hi Mayor ma sit-in hiya yana together with the MBO. Ano man ini? Unfortunately, the chairman of the committee is absent. Waray liwat mag-inform hi Hon. Obsequio nga ma absent hiya yana. Hon. Ponferrada api ka ba han committee?

Hon. Ponferrada: Yes I am the Vice Chairman of the Committee on Finance.

Presiding Officer: Hino pa an usa nga member?

Hon. Ponferrada: Hi Hon. Uribe.

Presiding Officer: Absent liwat. Waray pa kamo magconvene?

Hon. Ponferrada: Waray pa.

Presiding Officer: Can you speak on their behalf?

Hon. Ponferrada: In my opinion, I don't know the others ha, but for me kon an nag-invite waray dinhi it is not necessary anymore to sit-in the Municipal Budget Officer kay an nag-invite man la hi Hon. Obsequio who is the chairman, I do not know with the other SB Members if they will consider my opinion.

Presiding Officer: Hon. Aumento what is your opinion?

Hon. Aumento: Madam Secretary kakan-o ini kahinganhi nga letter that they will have to sit-in?

SB Secretary: Last Friday po.

Presiding Officer: Actually, we invited the MBO we have a letter to the Mayor dated February 14.

Hon. Aumento: So the Committee Chairman is absent. Now, the issue there is we did not invite the Municipal Mayor for her appearance here in this august body.

Presiding Officer: Diri la kita maaram basta okay la ito in so long as kuan kay hadto

kon anon iya mga pakiana. Okay la unta kon aanhi hi Hon. Uribe para nagkaduha unta.

Hon. Requeiz: Hon. Presiding Officer amo inin akon baga nakukuanan dinhi heton body. Ini nga budget ginpasa ini ngadi ha Committee on Finance may motion hini to refer ngadi ha Committee on Finance. Last session you have said that we will treat this as a whole.

Presiding Officer: Yes as a whole.

Hon. Requeiz: Wherein an motion hini to refer to the Committee on Finance. Before we treat this as a whole, an motion unta to refer to the Committee on Finance aton anay ginwiwithdraw kon igti-treat hiya as a whole. An motion was to refer to the Committee on Finance pero ini nga Committee on Finance waray hira magconduct hin committee hearing, hasta ngada yana waray hira magconduct hin committee hearing amo nga ini nga aton budget nadi-delay hin duro diri ta natatatar hin maupay. Kay ini nga budget pwede kita hini magkaada hin partial approval. Kon diin nga provision hit budget an diri ta gusto pwede ta man ito ig-exclude heton aton approval, an iba nga parti han budget aprobaran ta.

Presiding Officer: Diri ako maaram kon pwede hin partial.

Hon. Requeiz: Pwede ini matabo kay dida han una nga pagkainistorya naton matatabo nga mamamayda partial approval kay kon diin nga parti an diri ta gusto pananglitan an mayda kita question an Personal Services ig-exclude ta la anay an Personal Services an iba aton aaprobaran para an iba nga programa han bungto diri madidilatar.

Presiding Officer: Para ha akon okay na an PS. Okay na an PS ano?

Hon. Ponferrada: Okay naman.

Presiding Officer: Kay nagreserve man la kita para han mga items, amo man la iton aton magreserve la kita para heton mga igkri-create nga items. So okay na an PS ha pagkayana full implementation man ada, because we cannot create items if the salary standardization is not fully implemented. So kon okay na ito hiya okay na an PS.

Hon. Aumento: Mr. Presiding Officer mayda kita Committee Report naka-attach ha minutes han meeting no. 107. Kumo aanhi an usa nga member hi Hon. Ponferrada, does this Committee Report already complied? Na comply na ba ini?

Hon. Ponferrada: Actually in response to committee the Municipal Budget Officer so nagkamay-ada adto mga changes regarding han PS Cap limitation, pero actually with regards to PS Cap limitation kay ada naman an DTP so we expected nga ma increase aud ito. So an akon la nakit-an didto han revised nga DTP kay

Presiding Officer: Okay. Na discuss ba an kanan una nga heads of office an kanan MSWDO ngan hin MAO? Di bali nala an MAO kay Salary Grade 19 ada adto kon diri ako nagsasayop. Inin aton MSWDO Salary Grade 11 la harayo hin duro.

Hon. Requeiz: Hon. Presiding Officer ako mismo paghinganhi ko napausa ako heto nga an aton MSWDO amo la iton pinakagutiay an salary grade. Kay ano hadto waray ito ma correct.

Presiding Officer: Oo amo gud maiha na.

Hon. Requeiz: Maiha na hin duro hadto pa ini nga issue, kay ano nga waray ini hadto ma correct? Kahuman yana na naton kukuanon, unta hadto pa ginko-correct na ini.

Presiding Officer: Pirmi la ito hiya diri nauupod pero I do not know kon kay ano nga diri liwat ini natutumanan. Kay makuri man liwat kon amo la an mababayaanan tapos diri maaapprove an budget amo la an mababayaanan nga issue. Actually, ha pagkayana we are allowed nga magsobra an aton PS. Mayda heto Memorandum Circular kanan Mandanas Ruling nga pwede maglapos an PS kay an PS naton is 2 years back, so pag-abot han Mandanas humitaas man gin-aallow yana nga year mag-increase an PS Cap. Nevertheless, makukuan la ini, so how will we approach this?

Hon. Baac: Hon. Presiding Officer it akon la kay an nagkombida waray man dinhi so diri kita maaram kon ano an iya mga pakiana. Kon magpinasit-in kita mautro na daw liwat ito sunod kay waray pa man katutumani iton iya mga igparakiana. Kon baga ha akon la kon pwede hit sunod nala nga session nga aanhi iton nagkombida amo na iton pagpasit-in.

Presiding Officer: Okay. How about the others?

Hon. Fallorina: Mr. Presiding Officer an aton Committee Chairman han Finance nag-imbatar hira han aton Budget Officer para ma raise an ira mga comments han budget, so kinahanglan yana diri unta umabsent hira nga waray la rason. Dapat kon mayda nira obligasyon napakanhi hira kay mayda hira request. Sugad yana waray ngani hira baga mag-inform ngadi han usa nira nga member, karuyagsidngon iton ira pagkuan diri in good faith heton ira trabaho.

Hon. Requeiz: Hon. Presiding Officer may ponto hi Hon. Fallorina kay kon nag-imbatar hiya kahuman diri hiya makakaatindir, why not nagconduct nala hira hin committee hearing pwede nira pakianhan didto. Kon anon ira gin-iristoryahan han ira mga pakiana igreflect nira ha ira committee report. Diri unta ini nga aton budget nasusugad kalangan.

Presiding Officer: Diri gud man kita heto makakabaton hira la an maaram heto.

Hon. Requeiz: Hi ako naghuhulat la ako pagbaton ngadto ha DILG han memorandum kon anon resulta yana. Ito yana pagbaton ko ig-iistorya ko la nga amo inin natatabo hinin amon budget deliberation. An aton una nga demand magkamay-ada la kita full increase, aada natuman na. Katapos nagkuan nga may

mga pakiana nag-imbiba kahuman waray mangatindir. Damo nan nalalangan hini nga budget pati mga programa hit bungto nalalangan. Basaha la naton iton memorandum hit DILG makakakuan kita kon anon epekto kon an budget diri naaaprobaran.

Hon. Fallorina: Mr. Presiding Officer dapat ngani diri ta anay ginhihingadayan an appropriation heton kanan creation heton plantilla position. Dapat an ginhihingadayan ta yana an aton la budget focus kita ngatanan ha budget.

Presiding Officer: Okay naman adto nga mga plantilla waray na kuan heto.

Hon. Fallorina: Han una nagrequest kita hin salary increase so aada naman iton increase. Kay ano nga ginpipinaiha pa naton nga waray naman kita kuan heton budget? So nananabo yana nakikita nga gindi-delay hini nga duha nga committees nga dapat hini mayda nira mga responsibilidad hini.

Hon. Requez: Ha akon pagkita waray na rason nga ini nga budget diri ta aaprobaran kay an aton demand natuman na.

Hon. Fallorina: Waray na gud rason.

Presiding Officer: Okay. Sige sugara ta nala hini, we'll wait for them for the committee report nala so they can work on it siguro within the week. Then, after the committee report if it has been passed already then we will decide. Sugaron ta nala hini para diri kita mag-iha.

Hon. Requez: Hon. Presiding Officer it akon ngani hini yana kuanan ta ini kon aaprobaran ta ini or diri.

Presiding Officer: Makuri man siguro kon waray an chairman han 2 committees.

Hon. Requez: Kay it akon hini explanation ha DILG amo nala ini yana it akon ginhuhat. Mag-explain ngani ako ig-iistorya ko what transpired parti hini nga budget.

Presiding Officer: Okay.

Hon. Ergina: Hon. Presiding Officer actually mayda ko mga queries kan Hon. Obsequio. Mayda ko mga questions dida ha budget nga nakit-an ko so igkukuan ko anay ha iya kon nakita ba niya as the Committee Chairman.

Presiding Officer: Amo ito dida iton aton problema because the Committee Chair is absent.

Hon. Ergina: An akon la ginkukuan kon ito nga akon nakita kon nakita ba liwat niya, so bangin magkuan hira hin committee report ma adopt gihapon.

Presiding Officer: Hi Hon. Ponferrada cannot answer kay usa la hiya. Hi Hon. Uribe waray man liwat dinhi member liwat hiya heton committee.

Hon. Ergina: Amo la iton akon ginkukuan Hon. Presiding Officer.

Presiding Officer: Anon maupay hini ig-aagi ta ha committee o igdidirekta? Tagan ta yana nga semana to make the committee report or han Lunes nala?

Hon. Ergina: Committee gud iton magkukuan heto kinahanglan iton proper heto han Monday na.

Presiding Officer: Pero kon igti-treat ta ini as a whole Lunes dapat with the MBO.

Hon. Ergina: Masusugad kay waray man dinhi an chairman.

Presiding Officer: Makuri man diri ta hulton an chairman.

Hon. Ponferrada: Mr. Presiding Officer in my opinion we treat this as a whole because this is a budget appropriation.

Presiding Officer: Normally that's it. May say la an committee kon anon ira kuan, if they recommend for approval then there's no reason nga diri ini maaapprove. Maaapprove gad ini kay nag-approve na kita han AIP. The AIP is part and parcel of the budget.

Hon. Ergina: Hon. Presiding Officer kon waray na kita matters nga iti-take-up kay diri man kita makakapadayon kay waray man dinhi an aton committee chairman, so I move to adjourn the session.

Hon. Fallorina: Mr. Presiding Officer ayaw anay kita pag-adjourn.

Presiding Officer: Sige kuanon ta anay madaliay.

Hon. Fallorina: Parti han gin-istorya ni Hon. Ergina kon ano an iya igpapakiana ngadto han Committee Chairman on Finance kan Hon. Obsequio ig-istorya nala unta niya yana kay para mabutang dida heton minutes kay para pagbasa han chairman mababaruan na niya.

Hon. Ergina: My query is only for the committee chairman not for the MBO.

Hon. Ponferrada: Mr. Presiding Officer it is the prerogative of Hon. Ergina kon igsusumat niya yana or diri, so let's give him respect.

Presiding Officer: Okay. So there's a pending motion of Hon. Ergina to adjourn the session. Any second?

Hon. Arintoc: I second the motion.

Presiding Officer: Having been moved and duly seconded, the session is now adjourned.

IV. The session adjourned at 10:15 a.m. The next regular session is set on February 28, 2022.

III. Annual Budget C.Y. 2022 of the Municipality of Tunga

Presiding Officer: What's the status anon siring ni MBO makanhi ba hiya?

SB Secretary: Nasiring po an aton Municipal Budget Officer waray tumugot hi Mayor nga magsit-in hiya yana kay dapat daw nahimo utro hin letter pag-invite ha iya utro ngan kay ano daw han una waray hiya pasit-ina nga mayda man quorum waray hiya igpatawag pagsit-in.

Presiding Officer: Kay waray dinhi an Committee Chairman on Finance that time amo waray hiya pasit-ina. Okay, so anybody to invite the MBO for the next regular session?

Hon. Uribe: So kon amo iton nga sitwasyon, I move to invite the Municipal Budget Officer for the next regular session.

Presiding Officer: Any second?

Hon. Ergina: I second the motion.

Presiding Officer: Having been moved and duly seconded, the MBO is invited for the next regular session. Committee any update?

Hon. Obsequio: Waray man kumanhi hi MBO yana so mahimo nala kami hin committee report. Kon nasinganhi unta hiya ipapakiana ko unta adin parti terminal leave benefits.

Presiding Officer: Are we allowed to approve by part? If it is allowed unahon ta adin PS kon amo naman la if it is legal to approve the budget in part. Pira ba an terminal leave ha imo pagkuan Hon. Obsequio?

Hon. Obsequio: Igpapakiana ko unta kay ano duduha man didi an terminal leave benefits mayda didi han PS 1.4 million tapos may 1.5 million liwat didi han Mandatory and Special Purpose Appropriation. Kay ano nagduha? Na sobra na ngani an aton PS kay han una an aton PS 29 million la tapos yana an aton PS na abot na hin 35 million plus.

Presiding Officer: Pero allowed man kita yana sumobra an aton PS because of Mandanas.

Hon. Uribe: Waray limit iton iya pagsobra?

Presiding Officer: Mayda heto Memorandum Circular kanan Mandanas. Didi hini General Services amounting to P3,100,000.00 aanhi inin JOs hini ano? An point hini mainistoryahan kon ano an mga igpapakiana para pagkanhi niya andam na hiya. Para ha akon personally gusto ko ini mahapsay kay hopefully before magbreak iton pagcampaign period nakaapprove na kita heton budget para waray kita dumdumon kay maagi pa ini ha Sangguniang Panlalawigan, although once approved by the local sanggunian that's an approved ordinance. Once aadto na ha Sangguniang Panlalawigan it's already an approved ordinance, pero an level dinhi ha munisipyo pwede na mag-implement once approved by the Sangguniang Bayan kay authorized naman iton Mayor heto. Bali Hon. Obsequio an terminal leave didto ha PS is 1.4 million?

Hon. Obsequio: Oo.

Presiding Officer: Tapos ano pa?

Hon. Obsequio: Mayda liwat didto han Special Purpose Appropriation 1.5 million nga terminal leave.

Presiding Officer: So an overall total han terminal leave benefits na 2.9 million?

Hon. Obsequio: Oo.

Presiding Officer: Amo la ba ito it aton gusto igclarify?

Hon. Baac: Hon. Presiding Officer mayda pa aadi pa hin Reserve for Step Increments of salaries of appointed municipal employees, kay ano magreserve pa kita?

Presiding Officer: Pira?

Hon. Baac: P100,000.00.

Presiding Officer: Okay la ini nga may reserve for step increment kay para ini heton mga empleyado kay diri kasi ini hira nagdudurungan heton ira pagstep increment kay every 3 years may step increment sugad man gihapon iton elected officials katima heton imo first term kay 3 years man ito so kon magdaog ka pa ka konsehal pagkasunod ma step 2 kana. Yana la ito nga may step increment na iton elected officials kay an hadto nga panahon waray ito.

Hon. Obsequio: Ginpakiana ko ito han una nga kay ano nga waray ig-apply dida han July didto na gin-apply pagka January na. Dapat unta dida han July an bag-o na nga term gin-implement na an step increment ha amon diri kay pagkasunod na nga tuig dida na han January gin-apply.

Presiding Officer: Every after 3 years kasi iton step increment. For me okay ito nga mayda reserve for step increment. Ano pa it iyo pakiana?

Hon. Ergina: Hon. Presiding Officer an pakiana ko la an parti hadin donations kay mayda didi P250,000.00 under MOOE and P500,000.00 under Special Purpose Appropriation.

Presiding Officer: Hon. Fallorina paki-takedown hinin ira mga gusto igclarify para mo masumatan didto nga amo ini an mga igpapakiana.

Hon. Aumento: Mr. Presiding Officer about han funding han rescue vehicle. Why is it nga diri pa napurchase ha pagkayana? Where is the fund now?

Presiding Officer: Diri ako heto makakabaton. For the record amo iton pakiana ni Hon. Aumento. Any other comments, questions, clarifications regarding the budget? Kay para maplantsado ta ini para diri na ini magbinalik-balik kay maguol gad.

Hon. Uribe: About heton JO Mr. Presiding Officer.

Presiding Officer: What about the JO?

Hon. Uribe: Kay ha pagkabaro ko baga mga 70 plus na ada an JO. Dako na ada ini, diri na naisakto heton iya ka 6th class municipality.

Presiding Officer: Ano ba iton patakaran parti JO? Mayda ba nakakuan nga number kon pira la Hon. Uribe?

Hon. Uribe: Ambot kon ano iton mga requirement Mr. Presiding Officer pero dida heton Section 77 of the Local Government Code dapat may project.

Presiding Officer: Hadto kasi an mga projects han panahon ni Ex-Mayor Aumento di nauubos ginkakada ha JO, amo ito hadto an JO project-based. Amo kasi ito hadto an sistema until such time nga gin-institutionalize na hiya, meaning aanhi na ha budget an JO. Hadto depende la ha project an JO amo nga project-based hiya. That is why hadto diri ako natatagan hin JO dinhi ha Vice-Mayor's Office kay waray ako paka-identify hin project/item of expenditure which is the codification. Kon waray heto waray kita JO. Amo adto an ginbasihan nga kay ano nga nagkaada kita JO dinhi because of that codification.

Hon. Uribe: Kay amo iton nakabase ha Section 77 nga dapat may project.

Presiding Officer: Oo, amo iton basis ko nga nagkaada kita dinhi hin JO. So ano man mayda pa kamo comments, questions, clarifications regarding the budget? Ano pa an iyo gusto igclarify? Dapat liwat kasi ikuan ta an aton mga gusto igclarify, once and for all igkuan ta kon ano an dapat aydon, amo man la ito. Mayda pa?

Hon. Ergina: Hon. Presiding Officer having no more matters to be taken up, I move to adjourn the session.

Hon. Arintoc: I second the motion.

Presiding Officer: Having been moved and duly seconded, the session is now adjourned.

IV. The session adjourned at 10:10 a.m. The next regular session is set on March 7, 2022.

III. Annual Budget C.Y. 2022 of the Municipality of Tunga

Presiding Officer: We received a letter from the Local Chief Executive with regards our request to have our MBO for this regular session, so it was denied our MBO will not attend our session today. Have you talked Hon. Requeiz?

Hon. Requeiz: Ginkadto ko ito hi MBO last Monday right after our session. Gintagan ko hiya han aton dinhi mga igpapakiana para heton iya pag-attend hit aton session, pero waray man hiya kumanhi yana. Pero aadi may ginhatag gad niya ha akon an kanan iya kabatunan, pero ginsidngan ko mas maupay kon mag-attend ka nga ikaw an mag-eexplain hini. An siyahan niya didi nga ginkuan an terminal leave benefits nga na amount hin P1.4 million. Aadi didi an iya breakdown an mga manreretire ini. Under ha Mayor's Office an makakakarawat hini hi Elizabeth Edang – P100,000.00; Civil Registrar's Office – Luzviminda Bullecer – P300,000.00; Treasurer's Office – Paulita Afable – P200,000.00; Assessor's Office – Evangeline Asoy – P300,000.00; and Municipal Health Office – Crescente Uribe – P500,000.00, so na total ini hin P1.4 million. An P1.5 million liwat nga terminal leave benefits didi han Special Purpose Appropriation nakabutang la didi "ada ini kan Mayor nga budget." Waray kami hini magkaistorya ginpadara la ini ha akon nga papel, hi Mayor nala ini an magkukuan kon hino an iya tatagan hini nga 1.5 million. Tapos aadi liwat ha Mayor's Office under MOOE General Services appropriation amo ini an budget para JO reenacted pa kita kay waray pa approved budget – 2 million. Special Purpose Appropriation: Donations – P500,000.00 waray didi breakdown pero para ini AICS'iton kanan burial, medical assistance nga ginhatag. Tapos an donation nga P200,000.00 under ha Mayor's Office para ini ha mga solicitation. Kahuman mayda liwat P100,000.00 nga reserve for step increments. An siring didi ginkada ini ha Special Purpose Appropriation kay diri man durungan an pag-appoint han mga employees so an step increment depende han appointment nga naabot ha 3 years pati elected officials. So amo ini an iya ginhatag nga papel ha akon.

Presiding Officer: May pirma?

Hon. Requeiz: Waray pirma pero ginsidngan ko hi MBO nga mas maupay kon makakaatindir hiya. Basta ito hiya amo ito an kabatunan han akon ginkuan ha iya nga mga pamakiana dinhi.

Presiding Officer: Maupay unta kon nakanhi hiya yana kay hiya la an makakabaton han mga gusto i-clarify han mga SB Members. Anyway, amo naman la ito. For the record kon ano an natranscribe nga mga pakiana amo man la ito last na ito nga kuan.

Hon. Requeiz: Ito nga iya ginhatag nga papel amo iton iya baton han aton mga pakiana.

Presiding Officer: Ini nga iya surat baratunon ini. Okay la ba ha iyo batunon ko ini nga surat based han last session naton nga mga pakiana? Amo na gud la ito an kulang. Waray naman ada kamo iba nga pakiana. Mayda pa ba?

Hon. Ponferrada: Actually Mr. Presiding Officer I am curious about this other general services kay baga broad man gud hiya. Mayda ko la igpapakiana kan MBO.

Presiding Officer: So kinahanglanon talaga an presence nganhi ni MBO?

Hon. Ponferrada: Yes.

Presiding Officer: So ano man ini? Igrerequire ta gud hi MBO nga makanhi?

Hon. Ponferrada: Para ha akon oo.

Hon. Arintoc: Mr. Presiding Officer baga kinahanglan nga umatindir hiya kay mayda pa mga pakiana nga dapat mabaton niya. Diri parehas heton sugad la heto nga nagsurat la hiya ngan waray pa gud niya pirma. Aada la ito ha aton kon igko-consider ta ito nga iya surat. Damo pan mga pakiana like ha slaughter waray budget. Amo iton pinakadako ta nga income dinhi ha aton munisipyo. Dako pa it problema didto ngan didi liwat heton kanan agriculture waray gihapon. So amo la adto kinahanglanon gud hiya umatindir para ha akon.

Presiding Officer: Okay.

Hon. Requeiz: Hon. Presiding Officer sugad heto nga ginkuan ni Hon. Arintoc dida unta ito han budget preparation. Pagsubmit han PPMP dapat nakabutang ito didto, diri ito hin yana na dinhi naton pag-iiristoryahi.

Presiding Officer: Oo.

Hon. Requeiz: Kay ito nga mga heads of office ginpapasubmit ito hira heton ira PPMP heton ira kada opisina.

Presiding Officer: Waray ba ito didto ha kanan Agriculture kan Nay Nida?

Hon. Requeiz: Aadto unta ito. Ito nga mga heads of office amo unta ito an responsible heto kay amo ito hira an in-charge ha ira office hira ito an naghihimo han ira PPMP. Kon waray didto heton ira PPMP diri ito makukuanan heton Budget Officer.

Hon. Arintoc: Amo ngani Mr. Presiding Officer papakianhan ta kon kay ano kasugad nga waray man ito kabutangi hin budget. Nakapresentar ba ini nga head of office ngan kay ano nga napabay-an man ini nga opisina?

Presiding Officer: Okay sige para diri kita hini mag-iba babatunon ko la ini hiya nga surat. Igrerequest talaga naton an presence ni MBO. Para diri na kita hini magtikahilaba kay makapoy, makausa la.

Hon. Fallorina: Mr. Presiding Officer an akon la hini suggestion kon ano an aton mga queries dinhi i-formal ta himuan ta hin resolution para mabaton heton Local Chief Executive.

Presiding Officer: **Amo ngani din na resolution baba ko nala ini hin letter liwat.**

Hon. Fallorina: **Dapat resolution kay para may transmittal ngadto, kay sugad hini mag-iba la kita sunod nga session mayda na liwat kita iba nga pakiana. Madedelay in nga date nga aton budget ta approve.**

Hon. Baac: **Hon. Presiding Officer para din na kita magdiniskusyon dinhi, I move to invite the MBO for the next regular session. suratan ta utro.**

Hon. Ergina and Hon. Ponferrada seconded the motion.

Presiding Officer: **Okay approved. Sige, so ano man? Aside han questions nira Hon. Arintoc and Hon. Ponferrada waray na kita iba nga pakiana? Sige just to satisfy everybody dida heton letter isusurat ta an mga pakiana para mayda kita closure. Anyray kon din hiya mag-attend masurat hiya hin letter of explanation with regards hadto nga mga pakiana. So mahimo nala ako hin letter. Ano letter la? Kay kon resolution ikaw Hon. Fallorina an magda-draft ikaw ma sponsor hin resolution. Okay la ha imo?**

Hon. Fallorina: **Iton committee iton ma sponsor heton resolution.**

Hon. Obsequio: **Diri na kay pagclarify la an amon ha MBO kay ano mahimo pa hin resolution, an presence la niya para mabaton an mga pakiana.**

Presiding Officer: **Sige kuanon ta nala pag-invite utro hi MBO for the last time on our regular session on Monday para pagclarify. Igplatar ta nala gidaan an aton mga pakiana. Bangin mayda pa kamo mga pakiana para pag-urusaon ta nala. Magsusurat nala ako to invite the MBO again on Monday nga naka-state na gihapon ha letter an aton tanan nga mga pakiana para pag-abot nganhi han Monday andam na hiya hit iya baton para may closure na kita. Sunod nga Lunes March 14 na damo na ngaduro an aton pending salit dapat mahuman na ini nga budget para kon magtikang na an kampanya waray na kita huna-hunaon. Okay so I will write a letter to invite the MBO for the next regular session including also the questions raised by the Sangguniang Bayan Members so that the MBO can prepare the answer and we will put annotation that this would be the last time that she will be invited to this regular session with regards to budget deliberation. Kon nakanhi unta hiya yana tas nabaton an mga pakiana bangin nahuman na kita hini yana. Makuri man liwat siguro nga mag-approve nala kita nga mayda pa naton gusto i-clarify because that budget should be everyone's satisfaction. Amo naman la ito nga mga pakiana kay ba man an AIP approved naman so pagclarify nala ini with regards to the budget. Okay, so ano man mayda pa?**

Hon. Ergina: **Hon. Presiding Officer having no more matters to be taken up, I move to adjourn the session.**

Hon. Arintoc and Hon. Baac seconded the motion.

Presiding Officer: **Having been moved and duly seconded, the session is now adjourned.**

There being a quorum, the session was called to order at 9:30 in the morning.
- II. Reading and correction of minutes of meeting no. 113 held on March 7, 2022 regular session.

Hon. Ponferrada: Mr. Presiding Officer since the minutes was given to us on March 12 and we don't have our session on March 14 so I presume that we have read already, so I move to dispense the reading of the minutes and proceed directly to the corrections.

Hon. Requez: I second the motion.

Presiding Officer: Having been moved and duly seconded, the reading of the minutes of meeting no. 113 is hereby dispensed. Corrections?

Hon. Requez: Hon. Presiding Officer having no correction, I move for the approval of the minutes of meeting no. 113.

Hon. Fallorina: I second the motion.

Presiding Officer: Having been moved and duly seconded, the minutes of meeting no. 113 held on March 7 is now approved.

III. Annual Budget C.Y. 2022 of the Municipality of Tunga

Presiding Officer: I will draft a letter and have it receive today and still I'll be requesting that the MBO would sit-in so that we have closure na because I am planning that next week on the 28th day of March we should finally decide whether we approve it or not. That's why we need cooperation because this should be a collaboration between executive and legislative being the proponent and we as the approving body. So I think for your indulgence that we discuss this thoroughly on the 28th with the presence of the MBO. We'll finally decide on that day para waray na kita bahaw. And I hope they will listen also kay makuri. I have talked with the Provincial Budget Officer last week and there are still 5 municipalities that the budget was still pending in the Sangguniang Bayan. And unfortunately siring niya because PD Asis is from Alangalang she told me nga an iya kuno mga neighboring towns pa gud an waray pa makag-approve. It's us Tunga, Jaro, Alangalang itself, Sta. Fe and Pastrana. Although I have received also that Palompon and Babatngon nabalik an ira budget. Makuri ano, there is that common denominator heto nga mga towns and I hope hi kita iba, although let us admit there's already politics, so if we can set aside kon mag-cooperate la because as I see it duduha nala an problema naton. What are those? Number 1 an diri nakaklaro an monetization nga kon pwede baga kuan man la ito give and take matagan-tagan gihapon an mga SB. Then an usa is based from the MPDC diri nagtatali an Personal Services han AIP ngan han budget. Nadarudako ngadi han budget kontra han AIP which is impossible especially nga approved na an aton AIP. So as of now ha amo nala iton akon baga dako nga concern, ito la nga duha no more no less. With regards han iba nga mga butang, terminal leave okay na, an grants and donations that's it waray na kita heto mahihimo na. Duha nala ito nga butang. I hope nga somebody close ngadto, amo la adto so that we can cross the bridge.

Hon. Requiez: Hon. Presiding Officer ako nakig-istorya na ako hit aton MBO, diri na kuno hiya maatindir kay nagbaton na kuno hiya han aton dinhi demand, amo an iya istorya ha akon. Ginkinumbinsiron ko na hiya nga mag-atindir para matapos na ini. An iya rason kay ano kuno nga dida han pagkaada hin budget hearing waray ito didto ipagawas nga mga problema. Mayda mga departments kay pinapa-submit man ito hira hin ira budget proposal, kon didto han iya departamento kon waray hiya ginreklamo or gindemand karuyagsidngon na conform hiya dida han iya budget. Kahuman yana aton gin-iinistoryahan ini nga problema. Ngan ikaduha liwat an aton kuno syahan nga demand an increase han aton Personal Services, gintumanan naman kataliwan waray la gihapon aprobari, amo iton iya siring ha akon. Ako ginkikinumbinsiron ko hiya nga kumanhi para mabaton niya iton iyo mga pakiana kay para na ini mamayda na closure.

Presiding Officer: Amo ngani para mahuman na kita.

Hon. Requiez: Hi ako kumbinsido liwat ako han iya baton ha akon. Kay kon ako an nag-atindir dida han pagbudget hearing dida heton akon departamento na submit ako hin budget proposal, na submit hin PPMP dedepensahan ko ito. Pero

not all the time nga aton budget proposal nga aadto han PPMP gin-aaprobaran kay as practice han akon naobserbaran ha iba nga mga munisipyo diri kay an Mayor an na decide kon ano an iya aaprobaran or kon ano an diri, amo ito an akon naobserbaran. Ngan an pinakakuan heto dida kay damo na iton aton pending dinhi nag-iiniha la kita nagbibinalik-balik la kita hini.

Presiding Officer: Tama.

Hon. Requez: Inin franchise hinin mga tricycle usa ini, namag-expire nala an ira smoke test namag-expire na liwat iton ira rehistro waray pa kita makagkuan han franchise.

Presiding Officer: True, that is why siring ko we really need a closure on this. Kay mabi-busy na kita ngatanan. We have to close this in as much as possible. Although, kinahanglan gihapon naton hin cooperation. Siring ko pa man as the saying goes, mas kinahanglan unta magcooperate. Duduha nala ito nga pakiana amo nala ito, no more no less. I hope nga the Sangguniang Bayan with its entirety mag-agree with me nga amo ito an aton main concerns nala. Amo naman la ito an akon nakita nga kuan.

Hon. Uribe: Mr. Presiding Officer as I observe the Sangguniang Bayan is not stoop to ask some questions regarding the annual budget. Why? Because there is a renewed or amended annual budget. Kanuyagsidngon nagbabag-o di ba? Then it is just the Sangguniang Bayan to ask kon ano an ginrenew kon ano an gin-amend. That's why we are not stoop to ask some questions. Kon diri kita stoop to ask some questions regarding the renewed or amended budget then dapat la hi MBO aanhi unta. Like as you said Mr. Presiding Officer may ada deperensya han AIP that we have approved already ngan han annual budget nga kinahanglan ma explain niya kay ano nga may deperensya. Kay ano liwat nga diri niya gusto mag-explain kay diri man hiya nakanhi ha aton ano? So amo iton akon pagtuo nga dapat hiya makanhi kay that is an amended annual budget.

Presiding Officer: Okay, any other observation?

Hon. Fallorina: Mr. Presiding Officer ha akon liwat pagkuan hini nga budget para ha akon waray na ini hiya problema pero dara nga may ada pa mga questions dinhi nakikita ko liwat nga mga unnecessary questions na ito. Dapat siring pa man ni Hon. Requez diri na unta ito dinhi ginkukuan nga mga questions aadto unta ito heton pagbudget hearing ginlalatag.

Presiding Officer: I beg to disagree, it is necessary. Why? Pag-abot heto ngadto ha Provincial Budget Office ibabalik ito nganhi kay ano nga may discrepancy han AIP ngan han annual budget. Makikita dayon because na fall didto han budget han MSWDO nga PS na exceed hin mga P200,000.00, ha overall na P300,000 plus an discrepancy, and that is non-negligible magbibinalik-balik ito nganhi approved na an AIP ta nauna na. It seldom happens nga nauna an AIP.

Hon. Arintoc: Mr. Presiding Officer diri gad ini sidngon nga siring pa man ni Hon. Requez dida heton budget hearing dapat dida pala ginreklamado. Sugad hini nga kabutangan ta nga iton nag-aapprove iton SB tapos waray kita didto han

pagbudget hearing, so yana nga sitwasyon naton pag-iristoryahan. Amo la iton akon Mr. Presiding Officer nga diri kay masiring la nga unnecessary questions siring pa man ni Hon. Fallorina kay yana pala kita hini pakahigayon pakag-iristorya heton nga budget. Amo la adto, salit kinahanglan gud umatindir hi MBO.

Presiding Officer: Once and for all she would do her part para kita may closure. It would be professional enough nga batunon an patawag ha iya because we are Sangguniang Bayan.

Hon. Uribe: Mr. Presiding Officer mayda pa ako usa nga diri naiintindihan regarding heto nga GAD kay last week ada adto nagpapatawag hin meeting regarding han GAD. Siring ko kay di ba approved na an GAD kay kon waray GAD diri ito maabot unta ngadto han AIP pagkadi ha lamisa ta. Nakuan na liwat hira hin GAD, ano man ito ginbabalyuan nira an una kay may ginpasa man nganhi ano?

Presiding Officer: Oo aada na ito naka incorporate na ha AIP.

Hon. Uribe: Ano man liwat ito yana uutrohon nira?

Presiding Officer: Okay. Nevertheless, for the record Madam Secretary as your Presiding Officer I have limited myself in questioning only two (2) items. Only two (2) ha so that for everybody's satisfaction. First, the discrepancy of the AIP and the Annual Budget and second the appropriation for monetization, amo la no more no less unless may idudugang kamo.

Hon. Aumento: Mr. Presiding Officer that's why we are a legislative body. Clarification from MBO is still necessary kay as per statement of Hon. Fallorina nga ini nga mga pakiana are unnecessary. No, I don't agree kay iton iba nakakakita nga mayda nira gusto i-clarify ngadto kan MBO, so legislation kita dinhi. Ito nga mga department heads kon waray nira kakita, nakita dinhi heton august body being neglegislate, so tama an ira clarification its satisfaction. That's all Mr. Presiding Officer.

Presiding Officer: Okay, so we need to understand that approval of the budget is within the Sangguniang Bayan. Meaning to say it has its own personal story not even the Supreme Court can dictate us whether to approve it or not. So siguro cooperation la para matuhay na ini.

Hon. Requeiz: May I correct Hon. Presiding Officer han ginsiring ni Hon. Aumento. An mga department heads hira an nagpi-preparar heton ira budget diri an Budget Officer an nagpi-preparar heton ira budget, na submit iton kada department heton ira budget proposal.

Presiding Officer: Okay for that issue mayda heton closure because as I am telling you duduha la iton akon pakiana. It's not the budget of the departments, it's an overall view na.

Hon. Requeiz: Hon. Presiding Officer kakadion ko iton aton Budget Officer pipirton ko pagpaatindir para ini mahuman kay hiya la iton makakabaton hini kay kon diri hiya kumanhi magbibinalik-balik la kita hini.

Presiding Officer: Oo kay amo la talaga ito usa la ito nga kuan to clarify from the MBO kay dapat ano ha AIP it should be higher than the budget because an AIP pwede kita magsource out from external pero an budget within gud la ini heton aton income.

Hon. Uribe: Pero balikta?

Presiding Officer: Oo balikta.

Hon. Uribe: Mr. Presiding Officer I move to have a break.

Hon. Ponferrada: I second the motion.

Presiding Officer: Okay approved, we will have a break.

Presiding Officer: Okay, let's resume. So ano man?

Hon. Requeiz: Na diri gud pagkanhi hi MBO kay waray kuno hiya tagi hin katugutan ni Mayor para magsit-in. An akon la unta hadto para na kita hini mahuman.

Presiding Officer: So ano man ini yana? Once and for all we will invite the MBO on our next regular session dapat talaga hiya kumanhi. Damo an aton napepending nga agenda but starting April 1 we can discuss na about the other business aside from the budget. We are limited to 90 days so starting April 1 pwede na ini naton ma aksyunan. So hopefully on April 4 madidiscuss ta na inin iba ta nga agenda pero included la gihapon an annual budget because we will not disregard the budget until diri pa ini naton gud ma satisfy with their cooperation kay siring ko pa man kon ma answeran na iton pakiana magpipinakiana ka la gihapon, that would be kuan nga diri na ito amo and I would not allow that. Kay kanugon la nga nanunumpa kita before magsession nga for the people pero for the people liwat nga diri kita magkakaliligis, di ba? Anyway, ako na an bahala han letter, I will assure you nga maabot ito nga letter yana nga adlaw mapapareceive naton ha ira.

Hon. Uribe: Mr. Presiding Officer I move to adjourn the session.

Hon. Ponferrada: I second the motion.

Presiding Officer: Having been moved and duly seconded, the session is now adjourned.

IV. The session adjourned at 10:45 a.m. The next regular session is set on March 28, 2022.

I HEREBY CERTIFY to the correctness of the foregoing minutes.

- I. Determination of Quorum:
 There being a quorum, the session was called to order at 9:15 in the morning.
- II. Reading and correction of minutes of meeting no. 115 held on April 4, 2022 regular session.

Hon. Ponferrada: Mr. Presiding Officer since the minutes was given to us ahead of time so I presume that we have read already, so I move to dispense the reading of the minutes and proceed directly to the corrections.

Hon. Obsequio: I second the motion.

Presiding Officer: Having been moved and duly seconded, the reading of the minutes of meeting no. 115 is hereby dispensed. Corrections? With regards to the resolution accrediting the two (2) associations, an usa nga association baga may question pa daw. What was the reason hadto Hon. Obsequio?

Hon. Obsequio: An regarding han Kan Suwan Organic Association (KASUFA) an asya an ira mga members didi kay an mga members unta hini an mga barangay officials api unta hini kay hira an nagkuan hini, so ipapabalik ko unta ini ~~hira~~ committee chairman para panginanoon nira an mga tinuod nga mga members.

Presiding Officer: Waray dinhi an aton committee chair. There is a need to withdraw first the resolution kay mayda pa man ngayan araydon. So i-hahang ta la anay ini until such time that the chairman of the committee – Committee on Cooperatives is already here so that he will know the problem of the said association. Hon. Arintoc ikaw man an nagmotion for the resolution accrediting the said association, so mayda question nga ginraise hi Hon. Obsequio nga may problema an members han association kay an submitted nganhi ha aton nga list of members nira is diri daw tama. Okay ba ha imo to withdraw your motion so that for further study of the proper committee?

Hon. Arintoc: Yes Mr. Presiding Officer I will withdraw my motion on the passage of the resolution accrediting the said association.

Presiding Officer: Any second?

Hon. Uribe and Hon. Ponferrada: I second.

Presiding Officer: Okay so the resolution accrediting the Kan Suwan Farmers Association (KASUFA) is now withdrawn. So for further study pa ini han Committee on Cooperatives and we will wait for the committee report para ma return ini to the said association.

Hon. Uribe: It doesn't mean nga disapprove.

Presiding Officer: Yes it doesn't mean nga disapprove mayda la baga utruhon nga-gutiy. Anyway, any other correction to the minutes?

Hon. Ponferrada: Mr. Presiding Officer having no correction, I move for the approval of the minutes of meeting no. 115.

Hon. Obsequio: I second the motion.

Presiding Officer: Having been moved and duly seconded, the minutes of meeting no. 115 held on April 4 is now approved.

III. Presiding Officer: We have a visitor our new Chief of Police. So good morning Ma'am, you may have the floor.

Chief of Police: Good morning to our Vice Mayor Reinbert Costelo the Presiding Officer of this august body, to the Members of the Sangguniang Bayan, the ABC and SK President good morning to each one of us. Thank you so much for accommodating me for having me here. Waray na ako makagpa calendar considering that I'm just assigned here effective March 30 but I was informed mga April 4 na. So let me introduce myself first, I am PMAJ Jenyzen Veloso, I was formerly assigned at the Leyte Police Provincial Office and I was also

assigned Chief of Police last year at Sta. Fe Police Station but I only stayed there for 6 months due to my promotion. So it is just right and proper to pay courtesy call for you para at least makilala ako niyo. I am well aware the problems of the peace and order of this municipality and so far it problema la ratorin dinhi an theft and robbery. I cannot promise but I will try my best to solve this problem. To tell you frankly I cannot do this alone without your help. I'm looking forward in working with you especially on the peace and order situation here.

Presiding Officer: Okay, thank you very much Ma'am very well said. It's our pleasure that you visited us this morning. Now, your predecessor didn't do this from the time he was assigned here until such time gumawas na hiya dinhi waray gud kami magkilala bisan pa ngani kami nagkasugat I don't know him actually, so I would like to thank you for giving due respect and time in this Sangguniang Bayan as equally powerful in the LGU. Now, before anything else aadi an Resolution that was requested from us by your office requesting the Congresswoman to donate one (1) unit patrol car to the Tunga Police Station.

Chief of Police: Thank you so much, what a pleasant surprise for me.

Presiding Officer: Pwede man ikaw nala an maghatag hin copy heton Resolution kan Congresswoman.

Chief of Police: Yes Sir okay.

Presiding Officer: Speaking of theft and robbery tuod gud talaga ito kay aadi an amon usa nga SB Member who owns a stall in the public market. How many time na kamo ginkawatan Hon. Arintoc?

Hon. Arintoc: Nakadamo na, hinaot unta ha pagkayana ma solusyunan na ini nga problema.

Chief of Police: Actually, we have already a suspect a person of interest but the problem is an tag-lya han ginkawatan they are afraid or nag-aalang which is klaro naman, the problem is an witness gud. An ha Verse for your Info nagpasangil paghulog hin P1,000.00 and then nagrequest pagkita hin CCTV ngadto han room. So you will notice na nga a person of such background nga robber na hiya, nga priso na hin sugad and then suspect hin iba gihapon nga gintutukoy hiya nga magsusugad heto nga mudos, so pagkawati tanggal kasi maaram naman hiya, naaraan na kasi. Kulang gihapon hin information empowerment ha mga tawo ngan an mga tanod they are not really dedicated kon nagduduty. Yana for the information of everybody mayda kami ginkihaan for alarm and scandal and violation of BP Blg. 6, mas napadarudako an penalty it's because election period man, so I am saddened by that pero waray kami mahihimo kay kon an aton mga barangay tanod empowered nga masasaway nira at their level pwede nira kuanon ha barangay pero man gud mayda gud mga tawo nga kinahanglan na gud disiplinahan hin isakto. So amo iton aton dinhi problema and I will be looking into that and ma call unta ako ngadto ha mga barubarangay. Maybe I can present it to you, I will not promise but kahit papaano you can think of something gihapon kon ano it maupay nga maibubulig heton iyo body.

Presiding Officer: Okay thank you sana mag-iba ka din ha amon.

Chief of Police: I don't know Sir.

Presiding Officer: But considering your rank nga ginkanhi ka ha amon.

Chief of Police: There's a purpose siguro amo ako nahinganhi. I was relieved at Sta. Fe Police Station with 21 barangays because of my rank kay na promote ako and so I was here nga dapat unta igkakadto ako ha Dulag pero nahinganhi gud ako, I think I have a purpose here.

Presiding Officer: Any other question?

Hon. Aumento: Regarding han imo kanina ginmention Ma'am an person of interest bangin related ngadi han kaso han kan Hon. Arintoc? I tell you Ma'am he is decided to solve this problem.

Chief of Police: I am not kuan pa Sir I will look into that pa han kaso kay baga tumbok-tumbok la an akon.

Hon. Aumento: Aw sige.

Chief of Police: We will look into that Sir.

Hon. Aumento: So amo ito dinhi iton amon problema. Didi liwat ha akon barangay ha Astorga mayda didto ongoing construction of box culvert ngan mayda didto nagsisinamok hi Rosario Susaya. April 4 absent ako dinhi mahitungod heto nga panhitabo. Hi Rosario Susaya may dara-dara ito didto nga sundang gin-istorbo an operator han backhoe, so despite of that nasinganhi ako gihapon ha Police Station. An amon ginbling an iya asawa hi Nilo Susaya. Pagkada namon ha presinto an imbestigador hi De Guzman waray ngani igminutes. So igkukuan ko la ha iyo an pamahayag ni Nilo Susaya an iya siring diri ako heto makakasaway nga akon asawa kay may mental disorder. Kay an nahitabo gin-istorbo an operator han backhoe ginpapakitaan hin sundang mayda pa ngani panhitabo nga ginlalabay, so dako an istorbo ha pagtrabaho. An akon hini problema yana kay nalalangan an pagtrabaho didto. So an amon ginhangyo kon uunanhon paghandle heto kan Rosario Susaya kay basi han pamahayag han iya asawa may mental disorder daw ini hiya. So amo la iton amon kon uunanhon paghandle hini kan Rosario Susaya nga nagsisinamok didto heton pagtrabaho heton box culvert.

Chief of Police: Waray ba niya ginkli-claim it's just nga nagsasamok la hiya?

Hon. Aumento: Since iton salog waray heton tag-iya diri dapat magsarit ha iya kay iton sasaritan la heto iton Department of Environment and Natural Resources ngan kumo may existing na didto nga submarine bridge waray na ako heto dumangop ngadto ha DENR. So an iya gin-iisip nga magsarit ha iya. Siring ko diri na angay magsarit kay salog ini natural resources ini.

Chief of Police: Pero an iya asawa nga hi Nilo nakuan nga may mental disorder ito hiya?

Hon. Aumento: Oo basi ito han iya pamahayag.

Chief of Police: Anon background hini ni Rosario Susaya.

Hon. Aumento: Ito hi Rosario Susaya tikang ini hiya ha abroad han una pag-abot nganhi amo na ito an iya problema.

Presiding Officer: So amo iton ira didto problema Ma'am nga ginsisinamok an construction didto han box culvert.

Hon. Aumento: Amo ito nga napakiana kami kon uunahon ito paghandle kay pagtatawag namon hin police maiha magrespond damo pa an rason waray kuno nira sarakyan. So amo ito didto iton problema uusa la katawo didto iton na diri nga mahimogso ito nga box culvert. Bisan an mga adjacent barangays pabor heto they are supporting nga mahimogso ito nga box culvert, Brgy. Kan-Isak, Brgy. Hlagsam, Brgy. Pitogo all these four (4) barangays are barangays of Barugo. So that's all Ma'am, an amon la ginhangyo how to handle this one.

Chief of Police: If it involves talaga nga mayda hiya mental illness the PNP cannot do nothing except to assist. The main actor heto dida is the RHU kon ano it ira recommendation. Hi kami since mayda niya mental illness although for determination pa hiya heton isakto nga doctor diri liwat ito namon pwede igpriso kon sugad kay makalooloy kay may mental illness man gud. Pero kon nakikita ta na nga sugad heto nga the husband mismo asya an nakakaassist ha iya and as per kuan you can tap the RHU kon waray kakayahan iton pamilya pagtreat kay pagpriso or paghold ha iya is diri kuan heton amon office.

Hon. Aumento: Excuse me Ma'am I think the proper agency is the DSWD.

Chief of Police: Yes makakaassist hiya Sir pero kon mental illness it Health it iya dadaupan. The DSWD perhaps can assist also kon masiring nga waray kakayahan it pamilya so the DSWD can assist. We will look into it Sir.

Presiding Officer: For the next time nga magsamok na liwat kukuanon na niyo.

Chief of Police: Diri na namon huhulaton nga magsamok kay bangin isakto nga aadto Tacloban an amon patrol car kay usa la an aton patrol car. Iton status han Mahindra nga usa waray battery ngan an iya goma amo liwat an problema. Anyway, we will look into it Sir. Salamat han info kahit papaano mapl-preempt naton an further damage nga iya mabubuhat.

Hon. Requiez: Mayda la ako igsisiring Mr. Presiding Officer, nagkaistorya kami ni Nilo an siring ha akon waray hira sariti han pagkuan heto dida, siring ko kay ano nga sasaritan kamo kay gobyerno an nagtatrabahon ngan dida man ito ha may salog. An ira ginukuan kay ira pa ito ngadto tuna. An siring ko kon mataraan man iton iyo tuna iton gobyerno mabayad la ito kon mayda kamo didto mga tanom nga matataraan pero kon waray kamo tanom nga mataraan didto diri kamo mababayaran han gobyerno. Siring ko kan Nilo sumati hi Sayong nga amo ito. Ginsidngan ko adto nga kon umutro pa pagsamok hi Sayong sumati la ako kay ako an makikig-istorya kan Sayong. Hi Nilo nasayod han pag-istorya namon. Ginsidngan ko adto nga kon diri ito kuanan dida nga tulay kita nga tanan diri

...pagka-istorya nga...
okay man adto hi Nilo han amon pag-istorya nga...
...istoryahan niya hi Sayong.

Chief of Police: So may civil kuan ngay-an.

Hon. Requeiz: Baga amo ito an siring ni Nilo han pagka-istorya namon.

Chief of Police: Waray ba kamo heto Sir magkuan hin mediation nga malinawan hira? Kasi it involves hin civil. Hi kami we can't decide nga masiring nga okay you stop heton imo ginkli-claim. We are only pagkita kon mayda hiya ginbubuhar nga nanhaharass hiya or mayda violence nga mayda niya sundang. We cannot stop her heton iya ginkli-claim nga civil in nature kasi criminal man kami. Normally pag mga sugad heto parti claims hit tuna mayda kami permit ngan order from our Regional Director PNP para makialam kami or Court Order when it comes heton mga civil cases, mga tuna. Pero pwede kami makapagpatrolya nga any moment nga medyo distant la katapos may violence nga makikita namon mayda na harassment ngan mayda dara nga sundang ada kami ma act. Pero the better man gud heto nga idea kon iistoryahan hin isakto.

Presiding Officer: Okay. Pwede kami makaaro hit imo number Ma'am?

Chief of Police: My personal number is 09173059710.

Presiding Officer: Okay thank you Ma'am for your presence.

Chief of Police: Thank you so much for accommodating me and thank you also for the Resolution.

IV. Annual Budget C.Y. 2022 of the Municipality of Tunga.

- MDC Resolution No. 01-2022 – Resolution approving and endorsing to the legislative body for adoption and legislation of the additional appropriations for PS and MOOE for purposes stipulated in the C.Y. 2022 Supplemental Investment Program (AIP) No. 1, series of 2022.

Presiding Officer: The Chairman of the Committee Hon. Obsequio.

Hon. Obsequio: Waray pa kami makagmeeting han amon committee kay na busy kami last week pangampanya, so I move to defer la anay hini for further study.

Hon. Ponferrada: I second the motion.

Presiding Officer: So the Supplemental AIP is deferred for the next regular session.

Hon. Fallorina: Mr. Presiding Officer how about the approval of the Annual Budget?

Presiding Officer: This can be parallel, pwede ini sabay.

Hon. Fallorina: Mr. Presiding Officer kay waray problema an Annual Budget kay based han ginraise nga opinion ni Hon. Obsequio an tikang ha DILG, dapat ngani diri pa kita na take up hin other matters kon waray pa approval han Annual Budget.

Presiding Officer: Yes an hadi pero after the 90-day period pwede na, so naglapse naman hin 90 days so pwede na based han Local Government Code. So officially we are on a reenacted budget since we have no approve budget yet.

Hon. Requeiz: Hon. Presiding Officer mayda la ako igsisiring, an tanan ta nga mga questions parti han budget naansiran naman, kay ano pa man nga diri ta pa ini aprobaran nga budget? Tanan ta nga demand na comply naman nira.

Presiding Officer: Okay. Waray ini ha akon ha because the approval is siring pa man ni Hon. Aumento it is collegiate the august body decides.

Hon. Requeiz: Since an ngatanan ta nga queries parti han budget ginbaton naman han sadang magbaton, so I move for the approval of the Annual Budget for C.Y. 2022.

Hon. Fallorina: I second the motion.

Hon. Aumento: Objection Mr. Presiding Officer.

Presiding Officer: What's the objection?

Hon. Aumento: As stated kanina ni Hon. Obsequio...clarification Hon. Obsequio, is it deferment of the Supplemental AIP?

Hon. Obsequio: Oo defer la anay an Supplemental AIP.

Hon. Aumento: So we cannot approve yet the Annual Budget without approving the Supplemental AIP.

Presiding Officer: Definitely.

Hon. Aumento: Approve first the Supplemental AIP.

Presiding Officer: Pwede isabay pag-approve an Supplemental AIP and Annual Budget.

Hon. Requeiz: Hon. Presiding Officer an gin-iristoryahan naton is Annual Budget not a Supplemental AIP. Supplemental AIP pwede ini naton ikuan didto heton Supplemental Budget. Ini Annual Budget an aton gin-iristoryahan yana.

Presiding Officer: True.

Hon. Requeiz: Ini nga Supplemental AIP diri ini upod ha aton Annual Budget.

Hon. Obsequio: Diri ini mapasar kay an aton AIP han una kulang pa amo nga nag-supplemental AIP hira. Iton aton Annual Budget ngan an AIP nga gin-

aprobado ta diri nagmamatch amo nga nag-supplemental AIP hira para makuan adto.

Presiding Officer: Oo kay an gumawas kasi dumurudako an aton PS dida han Annual Budget compared ngadto han AIP which is diri tama, mas okay la magdurudako an ha AIP kontra han Annual Budget, diri pwede mag-vice-versa. Dapat aadi ha AIP because ha Annual Investment Plan mayda kita mga grants so pwede humitaas an AIP as compared to the Annual Budget not nga ha an Annual Budget amo an dako. So to make the necessary corrections naghimo hin Supplemental AIP nga madarudako an AIP kontra han Annual Budget. So this time kinahanglan an AIP Supplemental ma approve versus the Annual Budget or pwede liwat sabay.

Hon. Requiez: Hon. Presiding Officer with regards to the Supplemental AIP an pag-atindir nganhi nira MBO ngan Engr. Arintoc tanan nga queries naton dinhi napakiana man naton ngan nabaton man liwat nira, wherein kon magconduct liwat hira hin committee hearing amo la gihap iton resource person nga ira tatawagong nga diin amo la gihapon an ira igbabaton hadto nga mga pakiana kay ngatanan ta nga mga pakiana nabaton man dida han last session naton han nakanhi hira. Naglalaum adto hi Engr. Arintoc nga aaprobaran ta hadto an Supplemental AIP kay ngatanan mga pakiana parti Supplemental AIP iya naman nabaton.

Presiding Office: Okay. Committee on Rules anon baga kuan mo hini?

Hon. Uribe: In my own opinion ano regarding kan Engr. Arintoc an iya mga ginsiring dinhi waray ako hadto problema, but para han aton MBO diri ako kontento han iya baton. Nabaton niya pero diri ako kontento, like pipira an JO? Diri ngani nasabot kon pipira. Waray nala ako magpakiana kon hain ito nga mga JO. Nasiring na hiya dida han katapusan nga 76 an JO. Hain ito nga mga JO, pipira man la iton opisina dinhi tag pulo-pulo ba nga JO kada opisina? Ikaduha, diri ako naayon han iya baton regarding han 1.5 million nga igmomonetize. Kay an iya baton discretion na kuno ito ni Mayor. Naghihimo kita hin law, naghihimo kita hin ordinansa nga law ito hiya waray ito sinisiring nga discretion basta law. Tapos masiring hiya discretion ni Mayor ito nga 1.5 million. Diri ako kontento han iya baton.

Hon. Requiez: Ako nakuan ako heto nga may discretion iton Mayor kay dida han last term nga campaign period I still remember nga hi Hon. Ergina mayda adto budget para ha iya kanan iya terminal leave nga diin an dida mismo han amon grupo an mga incumbent nga mga councilors amo an nagsiring kan Mayor nga diri patagan hi Hon. Ergina. Kay kon law ito nga waray discretion an Mayor kay ano nga gindid-an niyo hi Mayor han una para diri tagan hi Hon. Ergina?

Hon. Uribe: Mag-iba siguro Mr. Presiding Officer kon approved na an ordinance or before approving an ordinance. Kon may discretion iton Mayor nga diri pa nag-aapprove hin ordinansa amo iton diri ko gin-aayunan. Pero siguro may discretion gihap kon approve na an ordinance, but before that ayaw pagsiring bisan ka pa MBO nga discretion heton Mayor. Kay iton ordinansa balaud ito dapat iton balaud waray discretion bisan hino. Amo ngani ito nga gindedetalye

ito kon hinon makakadara heto kay para waray discretion. Waray man magdetalye kon kan kanay ito nga 1.5 million, di ba?

Presiding Officer: Okay.

Hon. Fallorina: Mr. Presiding Officer iton opinion ni Hon. Uribe na encroach na hiya han powers and responsibilities ni Mayor, nga dapat kanan Local Chief Executive ini nga power diri ini dinhi ha aton.

Hon. Uribe: Mali Mr. Presiding Officer kay nagpapaapprove pala hi Mayor. Iton na trabaho hi kita hi kita pala an nagtatrabaho hini yana. Kon ma approve ito trabaho na ni Mayor pero yana nga diri pa approve hi kita an nagtatrabaho waray pa ito hi Mayor aanhi pa ito ha Sangguniang-Bayan.

Presiding Officer: Nagawas kasi for instance an 20% Development Fund, iton 20% Development Fund pwede ito naton maaproban nga kabug-usan nga 20% pero kada community project masarit ha sanggunian. The same is true han ginsisiring ni Hon. Uribe nga kon ig-aapprove ta ito nga budget as a whole masarit gihapon dinhi ha aton kon papaano gagastuson kay PS ito.

Hon. Aumento: I do agree with Hon. Uribe. Now, we are still on the process of legislation of this ordinance, so kinahanglan ini naton ig-scrutinize nga kon gusto ni Hon. Uribe nga igbutang dida an tagging kon kan kanay ini nga 1.5 million, so be it. Kon ma approve ito naton nga waray mga tagging iya na ito discretion kanan Municipal Mayor pero aanhi pa ini yana ha aton ha august body so kinahanglan i-satisfy. That's all Mr. Presiding Officer.

Presiding Officer: Okay let us be practical, its election time and we are politicians. Everybody needs hin kuan kon lisipon mo. Kay ano nga diri pwede idiga para matagan-tagan gihapon adin iba. After all it's the Sangguniang Bayan who approve the budget. Since this is monetization everybody is eligible, pwede makaaro hi Hon. Arintoc, pwede makaaro hi Hon. Ponferrada, bisan hi ako waray okay la.

Hon. Aumento: Mr. Presiding Officer maaro liwat ako.

Presiding Officer: Pwede gihap hi Hon. Aumento, so everybody is eligible.

Hon. Fallorina: Ayaw na ini naton i-delay pag-approve hini nga budget kay ito nga iyo gin-aaro dapat personal na ito diri ito dinhi gin-iristoryahan.

Presiding Officer: True, that's okay ito waray ito problema that's part of the kuan nga mabaro hi Mayor nga pwede ito. That's why it would not be her total discretion because the budget kon kikiton we have that 2% discretionary fund that is her discretion pero the rest of the item is diri. That's why the Sangguniang Bayan is given the authority. Waray ito ha akon ha even if we divide the house today.

Hon. Fallorina: Let us divide the house.

Presiding Officer: Makuri. Baga ako hi Pontius Pilate manhihinaw ako kay waray man ako say unless mag-tie that's the time that I will vote pero aadi ito ha aton yana mga kamot ha Sangguniang Bayan. Waray hini iba nga pinaka safe dinhi it's only the Vice Mayor kay diri nabutos and I would not like that to happen. Kon mahimo nga magkaurusa, magkaurusa. Kon i-approve, approve. Pero man gud kon yana i-divide the house ta nga ma approve okay pero kon ma disapprove kay diri na ito magawas dida ha business of the day for the next sessions unless buhi-on.

Hon. Requelez: Para matagan na hin closure ini nga budget approve or disapprove.

Presiding Officer: Okay, so there's a pending motion and there was an objection. Ano adto an objection?

Hon. Uribe: Nga na approve na kanina an pagdefer han Supplemental AIP. Diri man pwede mauna an approval han Annual Budget. Mauuna anay or dungan an approval han Supplemental AIP ngan Annual Budget. Mai-illegal liwat kita kon mag-approve kita han Annual Budget without approving first the Supplemental AIP.

Hon. Fallorina: Mr. Presiding Officer dapat kunta an committee nagmi-meeting unta hira hadton una nga semana diri kay ginpa-priority an pangampanya, an ini unta an ira gintatagan hin priority.

Presiding Officer: Hon. Obsequio.

Hon. Obsequio: Nagbagyo han una nga semana waray opisina.

Presiding Officer: Okay sige we will have a win win solution. After all what we are waiting for kay approve na an deferment ngan may motion to approve the budget pero deferred an AIP Supplemental. Na mislook ko ito hiya nga nauna an deferment han Supplemental AIP before the motion to approve the budget. Committee on Rules what do think?

Hon. Uribe: Amo na adto Mr. Presiding Officer nga amo nga gin-question ni Hon. Aumento kay na defer naman an Supplemental AIP. Diri man pwede mauna ma approve an Annual Budget without first approving the Supplemental AIP kay nagbag-o man nag-amendar, so the amendment should be referred to the Committee on Finance. An una nga mga ginrefer ta ha Committee on Finance han una pa adto before the amendment, but now since ginpagawas an amendment on the AIP so unahon anay kay di man kita pwede mag-approve. Ibabalik ito nga budget kon ikadto ito ha Panlalawigan invalid ito disapprove ito sigurado kay dapat mauna an Supplemental AIP pag-approve san-o kita mag-approve han Annual Budget or the same. Siguro by next session kon ano iton siring han aton Chairman Committee on Finance pwede kita mag-approve or disapprove. And secondly Mr. Presiding Officer we should decide that on third reading. Kay kon second reading pala liwat kita yana we cannot approve everything kay mayda liwat kita balaud nga there's second and third reading. An third reading aadto kita masiring nga yes or no kay ordinansa ini.

Presiding Officer: Okay, so ano man?

Hon. Fallorina: Mr. Presiding Officer ha akon pagkaintindi kay na approve naman an aton AIP so dapat aprobaran anay naton an Annual Budget san-o an Supplemental AIP.

Presiding Officer: Diri pwede, definitely diri pwede matabo. Supplemental AIP anay because AIP is superior over the budget because that's a plan and the budget is based on the plan. Hon. Obsequio for the next regular session we will decide on the AIP supplemental. Siguro by the next regular session mayda na kamo report han iyo committee. So there is an objection. Magiging disapproval kon igkuan ta an objection ni Hon. Aumento?

Hon. Uribe: Na object la hiya. Kon an objection is proper then diri pa siguro pwede pagmove for the approval because there is a pending and proper objection.

Presiding Officer: Okay, so who is in favor of the objection please raise your right hand? So 5 votes (Hon. Aumento, Hon. Obsequio, Hon. Ponferrada, Hon. Arintoc and Hon. Uribe).

Hon. Buranday: Mr. Presiding Officer I think diri proper igtreat an motion kay nakadefer na an Supplemental AIP.

Presiding Officer: Yes na defer na.

Hon. Uribe: Our SK Chairman is correct kay dapat didto han pagdefer pala han Supplemental AIP didto may objection.

Presiding Officer: Oo, so waray objection so carried an motion to defer.

Hon. Uribe: Our SK Chairman is correct, diri na dapat nagkamay-ada hin objection.

Presiding Officer: Okay.

Hon. Aumento: Mr. Presiding Officer clarification la, that's why I raise my objection because there was a motion to defer the Supplemental AIP for the next session.

Presiding Officer: Which is carried.

Hon. Aumento: Yes. That's why I object kay bangin sumunod.

Presiding Officer: Okay I stand corrected tama an aton SK Chairman. I am very happy that our SK Chairman is now very much active and learning. Okay so for the next regular session we will decide, final na ha for the Supplemental AIP then the Annual Budget will follow.

V. **Proposed Ordinance entitled: An ordinance creating items in the plantilla of personnel for the Municipality of Tunga, Leyte and appropriating corresponding funds thereof. Author: Hon. Fallorina**

Presiding Officer: The author Hon. Fallorina.

Hon. Fallorina: Mr. Presiding Officer since na discuss ta naman 'ini dinhi ngan waray naman mga questions and comments so pwede na siguro naton 'ini ig-approve.

Presiding Officer: So kon waray na questions ma close na kita han second reading.

Hon. Uribe: Let's schedule it for the next regular session the third and final reading.

Presiding Officer: Okay. Any objection?

Hon. Aumento: Mr. Presiding Officer since I was absent on the previous session, I just want to clarify this by revisiting our previous minutes an mga discussion parti hini because I'm not clarified yet since I was absent last April 4 and then last March damo an akon absent so kinahanglan ko pa igrevisit an aton mga previous discussions parti hini.

Presiding Officer: Okay. Actually, hi ako okay na gad ako hini kay based naman ini hiya han nakadto han aton DTP. How about the others? Okay so we will schedule on the next regular session the third and final reading of this ordinance. Final na we will have to vote na on the next regular session for its approval.

VI. **Letter dated January 3, 2022 of the Local Chief Executive requesting a Resolution authorizing her to enter into a Contract of Lease of Market Stall.**

Presiding Officer: Since the Committee Chairman is absent so we will defer this for the next regular session.

VII. **Application for Land Reclassification (from Agricultural to Institutional) of DepEd/Gregorio C. Catenza National High School.**

Presiding Officer: The Committee Chairman Hon. Requeiz.

Hon. Requeiz: Hon. Presiding Officer with regards to this application for Land Reclassification an aplikante hini an kulang nala niya an pagbayad han corresponding fees an iba nga mga requirements na comply na, so igschedule ta na ini for public hearing kay usa nga requirement han reclassification is public hearing.

Presiding Officer: How about an draft ordinance?

Hon. Requeiz: After na han public hearing.

Presiding Officer: Kinahanglan anay maghimo hin ordinansa kay waray daw kita babasahon didto heton pagpublic hearing.

Hon. Requez: Ipublic hearing ta anay kon mayda mag-object, kon waray may mag-object saka na kita mahimo hin ordinansa kay kon may objection diri man kita mahimo hin ordinansa.

Presiding Officer: Ordinansa anay san-o magpublic hearing.

Hon. Fallorina: Kinahanglan magdraft anay hin ordinansa before magpublic hearing.

Presiding Officer: Oo kay part heton ordinance an public hearing.

Hon. Uribe: Ordinance anay tas igkukuan dinhi for first reading.

Presiding Officer: Oo mahimo anay hin draft ordinance then isa-submit nganhi on the next regular session for first reading.

Hon. Requez: Okay mayda man kita an aton una nga ordinance parti reclassification kanan Orion so babalyuan nala an ngaran ig-eedit nala adto para liwat hini.

Presiding Officer: Oo kay parehas man la ito, so ipacalendar nala for next regular session para first reading and then we will schedule the public hearing.

VIII. Presiding Officer: With regards to the 2021 Citizen's Charter (1st Edition) nabasa na niyo? Rest assured okay na ini hiya because I attended han presentation hini, actually kami ni Hon. Requez an nag-attend hini. Okay la ha iyo i-approve ta nala ini? Any objection? None, so Hon. Requez please do the motion for adoption and implementation of this Citizen's Charter. Since igpapasa pa man ini ha ARTA for approval so resolution la anay not an ordinance for its adoption and implementation.

Hon. Requez: I move to pass a resolution for adoption and implementation of the 2021 Citizen's Charter (1st Edition) of the Municipality of Tunga.

Unanimously seconded.

Presiding Officer: Having been moved and duly seconded, the resolution for adoption and implementation of the 2021 Citizen's Charter (1st Edition) of the Municipality of Tunga is now approved.

Presiding Officer: Having been moved and duly seconded, the Supplemental Budget No. 2, series of 2021 of Brgy. San Pedro is now approved. How about the Supplemental Budget No. 2, series of 2021 of Brgy. San Vicente?

Ini yana kay waray man diri kita maaram kon hira hino ini nga mga aplikante so diri kita hini makaka-authorize kan Mayor kon hino an iya kakontrata.

Presiding Officer: So kinahanglan may ngaran?

Hon. Baac: Oo kinahanglan may ngaran.

Hon. Uribe: I agree with Hon. Baac kay inin contract personal liwat ini, so an nagkokontrata heto an Mayor nga amo an ma represent han munisipyo and then kon hino iton tag-iyang heto nga stall. Kon diri kita maaram kon hino aanhon ta man paghatag hin authority.
